

AR-15 SCRAPER - REAL AVID AR-15 SCRAPER

[Gunsmith Tools](#) > [Rifle Tools](#) > [Combination Tools](#)

Handy Tool Scrapes Fouling From AR-15 Bolt

Precision-machined tool perfectly matches 12 different surfaces on all major parts of the AR-15 bolt carrier group to scrape away carbon and fouling. Has cutouts that fit areas of the bolt carrier, bolt, bolt cam pin and firing pin. Cartridge extractor scraping point also helps to pull out the firing pin retaining pin. Polymer handle gives positive grip, and non-hardened steel construction won't scratch the bolt.

Safety Instruction Guide for AR15 SCRAPER

Introduction

Thank you for choosing the AR15 SCRAPER by REAL AVID. This precisionmachined tool is designed to help you maintain your AR15 bolt carrier group effectively. To ensure safe and proper use of this product, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Always use the AR15 SCRAPER as intended and in accordance with the instructions provided.
- Keep the tool out of reach of children and vulnerable individuals.
- Inspect the tool regularly for any signs of damage or wear before use.
- If the tool is damaged, discontinue use immediately and replace it.
- Report any unsafe conditions or accidents involving the tool to the appropriate authorities.

Specific Safety Precautions for Use

- Use the scraper only on the designated surfaces of the AR15 bolt carrier group.
- Ensure that the firearm is unloaded and the chamber is clear before using the scraper.
- Avoid applying excessive force when scraping to prevent damage to the bolt carrier group or the scraper itself.
- Do not use the scraper for any purpose other than cleaning the AR15 bolt carrier group.
- Wear safety goggles to protect your eyes from debris while using the scraper.
- Handle the scraper with care, as the edges may be sharp.

Instructions for Installation and Usage

1. Preparation:

- Ensure the AR15 is unloaded and the chamber is clear.
- Gather necessary cleaning supplies (e.g., cleaning solvent, cloth).

2. Using the AR15 SCRAPER:

- Identify the areas on the bolt carrier group that require scraping.
- Align the scraper's cutouts with the specific areas of the bolt carrier, bolt, bolt cam pin, and firing pin.
- Gently scrape away carbon and fouling from the surfaces using a backandforth motion.
- Use the cartridge extractor scraping point to assist in pulling out the firing pin retaining pin if necessary.
- After scraping, wipe the surfaces clean with a cloth to remove debris.

3. PostUse Care:

- Clean the scraper after use to remove any residue.
- Store the scraper in a safe and dry place, away from children and pets.

Disposal Instructions

- Dispose of the AR15 SCRAPER according to local regulations for plastic and metal waste.
- Do not dispose of the scraper in regular household waste if it is damaged or contains hazardous materials.

Contact Information for Further Support

For any safety inquiries or concerns regarding the AR15 SCRAPER, please refer to the manufacturer's contact information provided with the product packaging.

Thank you for prioritizing safety while using the AR15 SCRAPER. Your adherence to these guidelines will help ensure a safe and effective cleaning experience.
