MS4 GEN2 DUAL QD SLING SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the MS4 GEN2 DUAL QD Sling. This product is designed to enhance your shooting experience by providing a versatile and reliable sling option. It is essential to read and understand these safety instructions to ensure safe and effective use of the sling.

General Safety Guidelines

- Always ensure that the sling is securely attached to your firearm before use.
- Regularly inspect the sling for signs of wear or damage. Replace if any issues are found.
- Keep the sling out of reach of children and unauthorized users.
- Do not use the sling for any purpose other than its intended use.
- Follow all local laws and regulations regarding firearm safety and usage.
- Be aware of your surroundings and ensure a safe environment when using your firearm.

Specific Safety Precautions for Use

- **Hazard Identification:**

- Improper attachment of the sling may lead to accidental discharges or firearm drops.
- Worn or damaged components may fail during use, resulting in injury.
- Using the sling inappropriately (e.g., for climbing or towing) may result in failure.

- **Avoiding Hazards:**

- Always doublecheck that the QD swivels are fully engaged before use.
- Do not exceed the sling's weight limit or intended use.
- Ensure that the sling is adjusted to the appropriate length for your body size and shooting style.

- **AgeSpecific Warnings:**

- This sling is not a toy and should not be used by children without adult supervision.
- Ensure that all users are trained and knowledgeable in firearm safety practices.

Instructions for Installation and Usage

- **Installation:**

1. Identify the front and rear QD attachment points on your firearm.
2. Align the QD swivel on the sling with the attachment point.
3. Push the button on the QD swivel to engage it into the attachment point until you hear a click.
4. Repeat the process for the second QD swivel on the opposite end of the sling.

- **Usage:**

- Adjust the length of the sling to fit comfortably over your shoulder.
- To convert from a twopoint to a onepoint sling, detach one QD swivel and attach it to the designated point on your firearm.
- Always ensure that the sling is properly secured before moving or shooting.

Disposal Instructions

- Dispose of the sling in accordance with local regulations.
- If the sling is damaged beyond repair, consider recycling materials where possible.
- Do not dispose of the sling in regular household waste if it contains hazardous materials.

Contact Information for Further Support

For any questions or concerns regarding the MS4 GEN2 DUAL QD Sling, please refer to the manufacturer's website or contact your local retailer for assistance.

Conclusion

By following these safety instructions, you can ensure the safe and effective use of the MS4 GEN2 DUAL QD Sling. Always prioritize safety and stay informed about best practices in firearm handling and accessories. Thank you for your attention to these important guidelines.
