# MS4 GEN2 DUAL QD SLING SAFETY INSTRUCTIONS

## Introduction

Thank you for choosing the MS4 GEN2 Dual QD Sling by MAGPUL. This product is designed to provide versatility and safety for your firearm handling needs. Please read this safety instruction guide carefully to ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Ensure the sling is compatible with your firearm before use.
- Regularly inspect the sling for wear and tear. Do not use if damaged.
- Keep the sling out of reach of children and vulnerable individuals.
- Always follow local laws and regulations regarding firearm accessories.
- Report any unsafe product experiences or accidents to the appropriate authorities.
- Check the EU Safety Gate platform for any recall updates regarding this product.

## Specific Safety Precautions for Use

### • Potential Hazards:

- Improper attachment may lead to accidental detachment of the sling from the firearm.
- Overloading the sling beyond its designed capacity may cause failure.

### • Avoiding Hazards:

- Always ensure the sling is securely attached to both front and rear QD attachment points before use.
- Do not exceed the recommended weight limit for the sling.
- Avoid using the sling in conditions that may compromise its integrity, such as extreme weather or excessive dirt.

### • AgeSpecific Warnings:

- This product is not intended for use by children. Ensure that all users are of appropriate age and have the necessary training to handle firearms safely.

## Instructions for Installation and Usage

### 1. Installation:

- Identify the front and rear QD attachment points on your firearm.
- Attach the QD swivels of the sling to the corresponding attachment points until you hear a click, indicating a secure connection.
- Ensure both ends of the sling are properly secured before proceeding to use.

### 2. Usage:

- Adjust the sling length to your preference by sliding the adjustment mechanism.
- Use the sling in either a onepoint or twopoint configuration as needed for your shooting style.
- When transitioning between configurations, ensure that the sling remains securely attached at all times.

### 3. PostUse Inspection:

- After each use, inspect the sling for any signs of wear or damage.
- Clean the sling with a damp cloth if it becomes soiled, and allow it to dry completely before storage.

## **Disposal Instructions**

- Dispose of the sling in accordance with local regulations regarding textile and nylon materials.
- Do not dispose of the sling in regular household waste if it is damaged or poses a safety hazard.
- Consider recycling the material if possible.

## **Contact Information for Further Support**

For any inquiries or concerns regarding the MS4 GEN2 Dual QD Sling, please refer to the contact information provided by your retailer or the manufacturer's website for assistance.

Thank you for your attention to these safety instructions. Enjoy the safe and effective use of your MS4 GEN2 Dual QD Sling.
