General Safety Guidelines

- Ensure the product is used as intended and in accordance with the manufacturer's instructions.
- Inspect the grip kit for any visible damage or defects before use. Do not use if any parts are broken or missing.
- Keep the grip kit out of reach of children and vulnerable individuals to prevent accidents.
- When handling firearms, always follow the basic safety rules of firearm handling.
- Be aware of your surroundings and ensure you are in a safe environment when using the grip kit.

Specific Safety Precautions for Use

- Use the grip kit only on compatible firearms as specified in the product description.
- Avoid using excessive force during installation to prevent damage to the grip kit or firearm.
- Ensure that the detachable rubber core is securely in place before use.
- Do not store flammable substances in the grip kit's compartments.
- Regularly check the grip kit for wear and tear, especially if used frequently in demanding conditions.

Instructions for Installation and Usage

1. Installation:

- Start by ensuring the firearm is unloaded and pointed in a safe direction.
- Remove any existing grip from the firearm according to the manufacturer's instructions.
- Align the MIAD grip body with the firearm's grip mounting area.
- Slide the grip onto the firearm until it is firmly in place.
- Insert the detachable rubber core into the grip cap and ensure it is securely fastened.
- Choose the desired backstrap and front strap inserts and snap them into place as per your preference.

2. Usage:

- Hold the firearm with a firm grip on the MIAD grip.
- Ensure your finger is outside the trigger guard until you are ready to shoot.
- Utilize the grip's interchangeable inserts to customize your grip for comfort and control based on your hand size and shooting style.

3. Maintenance:

- Clean the grip kit regularly with a damp cloth to remove dirt and debris.
- Inspect the grip for any signs of wear and replace any damaged parts immediately.
- Store the grip kit in a cool, dry place when not in use.

Disposal Instructions

- Dispose of the grip kit in accordance with local regulations regarding plastic and polymer waste.
- If the grip kit is damaged beyond repair, contact your local waste management facility for guidance on proper disposal methods.
