## Interchangeable Inserts Let You Configure To Fit Your Hand

Mission Adaptable (MIAD) modular grip system with interchangeable inserts lets you find the grip configuration that fits your hand size and mission requirements. All models come with main grip body and detachable rubber core that holds a ½ oz. lubrication bottle in the cap. Additional cores for storing batteries and other items are available separately. Front- and backstrap inserts slide on easily, yet snap firmly into place and require no glue or screws to stay put. Comes with one straight and two different beavertail backstrap inserts, plus one straight and one finger-ledge front strap insert. Reinforced molded polymer construction. NOTE: The TYPE 1 Kit fits all AR15/M4's as well as many 7.62x51 variants such as the Aero Precision M5 308, CMMG MK3, CORE Rifle Systems CORE30, HK 417/MR762A1, LWRCI REPR, Mega Arms MATEN, POF P-308, Ruger SR-762, and SIG716.

# Consumer Safety Instruction Guide for AR15/M4 & CERTAIN AR308 MIAD GEN 1.1 Grip Kit Type 1

## Introduction

Thank you for choosing the AR15/M4 & CERTAIN AR308 MIAD GEN 1.1 Grip Kit Type 1 by Magpul. This product is designed to enhance your firearm's ergonomics and usability. To ensure safe and effective use, please read and follow all safety instructions included in this guide.

## General Safety Guidelines

- Ensure that the firearm is unloaded before installing or handling the grip kit.
- Always handle firearms with care, assuming they are loaded.
- Keep the grip kit and all firearm accessories out of reach of children and unauthorized users.
- Inspect the grip kit for any signs of damage or wear before use. Do not use if damaged.
- Follow all local laws and regulations regarding firearm modifications and accessories.
- Report any unsafe products or incidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Use the grip kit only with compatible firearms as specified in the product description.
- Do not attempt to modify the grip kit or use it in a manner not intended by the manufacturer.
- Be cautious when using lubricants; follow the manufacturer's instructions for lubrication and maintenance.
- When using the grip kit, ensure that all inserts are securely fitted to avoid accidental detachment during use.
- Regularly check the grip kit for secure attachment and integrity, especially after heavy use.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure that your firearm is unloaded and safe to handle.
- Gather necessary tools, if any, for installation (no glue or screws are required).

### 2. Installation Steps:

- Remove the existing grip from your firearm by following the manufacturer's instructions.
- Take the main grip body of the MIAD GEN 1.1 and align it with the mounting area on your firearm.
- Slide the grip into place, ensuring a snug fit.
- Choose the desired backstrap insert (straight or beavertail) and front strap insert (straight or fingerledge).
- Slide the chosen inserts onto the grip body until they snap securely into place.

### 3. Usage:

- Once installed, hold the firearm to ensure the grip fits comfortably in your hand.
- Adjust the grip configuration as needed by changing the inserts.
- Store any additional cores for lubrication or battery storage securely within the grip.

## **Disposal Instructions**

- Dispose of the grip kit responsibly at a designated waste disposal facility.
- Follow local regulations regarding the disposal of polymer materials.
- Do not dispose of the grip kit in regular household waste.

## **Contact Information for Further Support**

For any questions or concerns regarding the AR15/M4 & CERTAIN AR308 MIAD GEN 1.1 Grip Kit Type 1, please refer to the manufacturer's contact point for assistance.

By following these guidelines, you can ensure the safe and effective use of your AR15/M4 & CERTAIN AR308 MIAD GEN 1.1 Grip Kit Type 1. Thank you for your commitment to safety and responsible firearm handling.
