# RANGE ROD SPD TOOL SAFETY INSTRUCTIONS

## Introduction

Thank you for choosing the RANGE ROD SPD TOOL. This multitool is designed to enhance your shooting experience by providing various functionalities, including a cleaning rod, barrel obstruction remover, measuring scale, and magnetic parts retriever. To ensure your safety and the safe use of this product, please read the following safety instructions carefully.

## General Safety Guidelines

- Always read and follow the manufacturer's instructions before using the product.
- Keep the RANGE ROD SPD TOOL out of reach of children.
- Inspect the tool before each use to ensure it is in good condition.
- Do not use the tool for any purpose other than its intended use.
- Report any unsafe conditions or accidents to the relevant authorities.
- Check for recall updates on the EU's Safety Gate platform regularly.

## Specific Safety Precautions for Use

- Use the cleaning rod only with 832 standard brushes compatible with the RANGE ROD.
- Ensure the barrel obstruction remover is used only when the firearm is unloaded and pointed in a safe direction.
- When measuring target groups, avoid distractions and focus on accuracy.
- Use the magnetic parts retriever with caution to avoid pinching fingers or causing injury.
- Always wear appropriate safety gear, such as eye protection, when using this tool.

## Instructions for Installation and Usage

### 1. Cleaning Rod Usage:

- Attach an 832 standard brush securely to the cleaning rod.
- Insert the cleaning rod into the barrel from the chamber end.
- Pull the rod through the barrel to clean, ensuring the firearm is pointed in a safe direction.

### 2. Barrel Obstruction Removal:

- Ensure the firearm is unloaded.
- Insert the barrel obstruction remover gently into the barrel.
- Twist and pull to remove any obstructions, ensuring to maintain control of the tool.

### 3. Measuring Target Groups:

- Place the measuring scale at the desired distance from the target.
- Use the scale to measure the distance between shot holes accurately.
- Record measurements for analysis.

### 4. Magnetic Parts Retrieval:

- Use the magnetic retriever to pick up small metal parts that may have fallen.
- Ensure to hold the tool by the handle and avoid placing fingers near the magnetic tip.

## **Disposal Instructions**

- Dispose of the RANGE ROD SPD TOOL in accordance with local regulations.
- If the tool is damaged or no longer usable, ensure it is disposed of in a way that prevents any potential harm to others.
- Consider recycling the tool if possible, following local recycling guidelines.

## **Contact Information for Further Support**

For any inquiries regarding the RANGE ROD SPD TOOL, please refer to the manufacturer's contact information provided with the product packaging. Ensure to keep this manual for future reference.

By following these safety instructions, you can enjoy the full benefits of the RANGE ROD SPD TOOL while ensuring a safe environment for yourself and others. Thank you for your attention to safety!
