

# PSR (PRECISION SNIPER RIFLE) ATLAS BIPODS - ACCU-SHOT NO MOUNT PSR BIPOD BLACK

[Shooting Accessories](#) > [Bipods, Monopods & Accessories](#) > [Bipods](#)

ATLAS BIPOD PSR (PRECISION SNIPER RIFLE) ATLAS BIPODS The PSR (Precision Sniper Rifle) Atlas Bipod came about as the Atlas was selected for the USSOCOM Sniper Rifle system. The PSR was in response to the testing feedback that we got from the Military. These changes include a non-rotational legs, fore and aft pivot limiting bosses and a 40% stronger Inner leg. It is comprised of 6061-T6 aluminum, except the strengthened inner legs which are made from 7075-T6 aluminum that are Mil-Spec Type III hard coat anodized and have heat treated, stainless steel components. FEATURES Preloaded Pan: 30 degrees Preloaded Cant: 30 degrees Fore and Aft pivot limiting Bosses 5 leg positions: 0, 45, 90, 135 & 180 degrees Non-Rotating Legs: outer leg does not rotate around inner leg Larger, stronger inner legs Designed, Engineered, Machined & Assembled in America.

## Attributes

- Name: [ACCU-SHOT NO MOUNT PSR BIPOD BLACK](#)
- Manufacturer: [ACCU-SHOT](#)
- Product no.: 100014176
- Mfr. No.: BT46-NC
- Attachment: Picatinny Mount
- Colour: Black
- Feet Material: Rubber
- Folding: Yes
- Height: 5 to 9
- Style: Cant Swivel
- Delivery weight: 0.181kg
- Shipping height: 38mm
- Shipping width: 112mm
- Shipping length: 193mm
- UPC: 810040220135

# PSR ATLAS BIPODS ACCUSHOT NO MOUNT Safety Instruction Guide

## Introduction

Thank you for choosing the PSR Atlas Bipod. This guide provides important safety information and instructions to ensure safe and effective use of the product. Please read this guide carefully before installation and usage.

## General Safety Guidelines

- Ensure the bipod is suitable for your specific rifle and intended use.
- Regularly inspect the bipod for any signs of wear or damage.
- Always use the bipod in a controlled environment to prevent accidents.
- Keep the bipod out of reach of children and pets.
- Follow all local laws and regulations regarding the use of bipods and firearms.
- Report any unsafe conditions or incidents to authorities immediately.
- Stay informed about product recalls and safety updates through the EU's Safety Gate platform.

## Specific Safety Precautions for Use

### • Potential Hazards:

- Improper installation may result in instability during use.
- Using the bipod on uneven surfaces can lead to accidents.
- Failure to secure the bipod properly may cause it to collapse unexpectedly.

### • Avoiding Hazards:

- Always ensure the bipod is fully extended and locked before use.
- Do not exceed the weight limit specified by the manufacturer.
- Use the bipod only on stable and level surfaces.
- Avoid using the bipod in extreme weather conditions that may affect its performance.

### • AgeSpecific Warnings:

- This product is not intended for use by individuals under the age of 18 without adult supervision.
- Ensure that inexperienced users are guided by knowledgeable individuals when using the bipod.

## Instructions for Installation and Usage

### 1. Installation:

- Carefully remove the bipod from its packaging.
- Inspect the bipod for any visible damage before installation.
- Attach the bipod to your rifle using the Picatinny mount. Ensure it is securely fastened.
- Check that the bipod is locked in place and does not move.

### 2. Usage:

- Adjust the height of the bipod to your desired level, ensuring it is stable.
- Utilize the preloaded pan and cant features to achieve the desired angle.
- Always maintain a firm grip on the rifle while using the bipod.
- After use, retract the legs of the bipod for safe storage.

## **Disposal Instructions**

- Dispose of the bipod in accordance with local regulations.
- If the product is damaged beyond repair, ensure that it is disposed of in a way that prevents any potential hazards.
- Recycle materials where possible, following local recycling guidelines.

## **Contact Information for Further Support**

For any safety inquiries or further assistance, please refer to the contact information provided by the manufacturer, ACCUSHOT. Ensure to keep this guide for future reference.

Thank you for prioritizing safety and enjoying your PSR Atlas Bipod responsibly.
