

PSR (PRECISION SNIPER RIFLE) ATLAS BIPODS - ACCU-SHOT QUICK DETACH PICATINNY PSR STANDARD HEIGHT BIPOD BLACK

[Shooting Accessories](#) > [Bipods, Monopods & Accessories](#) > [Bipods](#)

ATLAS BIPOD PSR (PRECISION SNIPER RIFLE) ATLAS BIPODS The PSR (Precision Sniper Rifle) Atlas Bipod came about as the Atlas was selected for the USSOCOM Sniper Rifle system. The PSR was in response to the testing feedback that we got from the Military. These changes include a non-rotational legs, fore and aft pivot limiting bosses and a 40% stronger Inner leg. It is comprised of 6061-T6 aluminum, except the strengthened inner legs which are made from 7075-T6 aluminum that are Mil-Spec Type III hard coat anodized and have heat treated, stainless steel components. FEATURES Preloaded Pan: 30 degrees Preloaded Cant: 30 degrees Fore and Aft pivot limiting Bosses 5 leg positions: 0, 45, 90, 135 & 180 degrees Non-Rotating Legs: outer leg does not rotate around inner leg Larger, stronger inner legs Designed, Engineered, Machined & Assembled in America.

Attributes

- Name: [ACCU-SHOT QUICK DETACH PICATINNY PSR STANDARD HEIGHT BIPOD BLACK](#)
- Manufacturer: [ACCU-SHOT](#)
- Product no.: 100014177
- Mfr. No.: BT46-LW17
- Attachment: Picatinny Mount
- Colour: Black
- Feet Material: Rubber
- Folding: Yes
- Height: 5 to 9
- Style: Cant Swivel
- Delivery weight: 0.249kg
- Shipping height: 51mm
- Shipping width: 122mm
- Shipping length: 180mm
- UPC: 810040220142

PSR ATLAS BIPODS ACCUSHOT QUICK DETACH PICATINNY Safety Instruction Guide

Introduction

Thank you for choosing the PSR Atlas Bipod. This product is designed for precision and stability in various shooting applications. To ensure safe and effective use, please read this safety instruction guide carefully. It complies with the EU General Product Safety Regulation (GPSR) and aims to provide you with essential safety information.

General Safety Guidelines

- Always inspect the bipod for any signs of damage or wear before use.
- Ensure that the bipod is securely attached to your rifle before use.
- Do not exceed the weight limit specified by the manufacturer.
- Keep the bipod and its components away from children and unauthorized users.
- Follow all local laws and regulations regarding firearm usage and accessories.
- Report any unsafe conditions or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- **NonRotating Legs:** Ensure that the outer leg does not rotate around the inner leg during use to maintain stability.
- **Preloaded Pan and Cant:** Be aware of the 30degree limits on pan and cant adjustments to avoid overextending the bipod.
- **Leg Positions:** Use the 5 leg positions (0, 45, 90, 135, and 180 degrees) as specified to ensure correct setup and stability.
- **Folding Mechanism:** When folding the bipod, ensure fingers and other body parts are clear of moving parts to prevent injury.
- **Material Caution:** The bipod is made of aluminum and stainless steel; avoid exposure to corrosive substances to maintain integrity.

Instructions for Installation and Usage

1. Installation:

- Align the Picatinny mount with the rail on your rifle.
- Slide the bipod onto the rail until it locks into place.
- Ensure that the bipod is firmly secured by checking the locking mechanism.

2. Adjusting the Bipod:

- To adjust the leg positions, press the release button and extend or retract the legs to the desired position.
- Ensure that the legs are locked in place before using the bipod.

3. Using the Bipod:

- Position the bipod on stable ground for optimal support.
- Adjust the pan and cant as needed, ensuring you do not exceed the 30degree limits.
- Maintain a firm grip on the rifle when using the bipod to avoid accidents.

4. PostUse Care:

- Clean the bipod with a soft cloth after use.
- Store the bipod in a dry place away from direct sunlight and moisture.

Disposal Instructions

- Dispose of the bipod in accordance with local regulations regarding electronic and metal waste.
- Do not dispose of the product in regular household waste.
- If the bipod is damaged beyond repair, contact local recycling centers for proper disposal methods.

Contact Information for Further Support

For safety inquiries or product support, please refer to the manufacturer's website or contact your local dealer. Ensure you have the product information available for reference.

By following these safety guidelines and instructions, you will ensure a safer experience while using the PSR Atlas Bipod. Thank you for your attention to safety!
