

# S&W SHIELD ACTION ENHANCEMENT TRIGGER - APEX TACTICAL SPECIALTIES INC M&P SHIELD ACTION ENHANCEMENT TRIGGER

[Handgun Parts](#) > [Trigger Group Parts](#) > [Trigger Parts](#) > [Triggers](#)

The trigger reduces Trigger pre-travel and over-travel by approximately 20%. It features a flat face with a center mounted pivoting safety. The center mounted pivoting safety bar prevents unintended operation by creating a trigger block that will not disengage unless the shooter places their finger directly on the trigger face. The flat, smooth face trigger causes the shooter to place their finger on the center line of the trigger and encourages trigger manipulation directly in line with the bore axis. The Shield Action Enhancement Trigger is perfect for use with the M&P Shield already equipped with the Apex Shield Carry Kit.

# S&W SHIELD ACTION ENHANCEMENT TRIGGER Safety Instruction Guide

## Introduction

Thank you for choosing the S&W Shield Action Enhancement Trigger by Apex Tactical Specialties Inc. This guide provides essential safety instructions to ensure the safe use of your trigger. Please read this manual carefully before installation and use.

## General Safety Guidelines

- Always treat your firearm as if it is loaded.
- Keep your finger off the trigger until you are ready to shoot.
- Ensure the firearm is pointed in a safe direction at all times.
- Use appropriate eye and ear protection when handling firearms.
- Store the trigger and firearm securely to prevent unauthorized access, especially from children.
- Regularly inspect your trigger and firearm for any signs of wear or damage.

## Specific Safety Precautions for Use

- The S&W Shield Action Enhancement Trigger is designed for use with the M&P Shield equipped with the Apex Shield Carry Kit. Do not use it with other firearms.
- Ensure that the trigger is installed correctly before use. Refer to the installation instructions below.
- Avoid using the trigger in wet or humid conditions, as moisture can affect its performance.
- Do not attempt to modify or alter the trigger in any way, as this may compromise safety.
- If you experience any malfunction or irregular behavior during use, cease operation immediately and consult a qualified gunsmith.

## Instructions for Installation and Usage

### Installation Instructions

1. **Ensure Safety:** Before beginning installation, ensure your firearm is unloaded and pointed in a safe direction.
2. **Remove the Factory Trigger:** Follow the manufacturer's instructions to safely disassemble your firearm and remove the factory trigger.
3. **Install the Apex Trigger:**
  - Align the Apex trigger with the trigger housing.
  - Insert the trigger pin and ensure it is fully seated.
  - Reassemble your firearm according to the manufacturer's guidelines.
4. **Test Functionality:** After installation, perform a function check to ensure the trigger operates correctly. This includes checking for proper trigger pull and safety engagement.

### Usage Instructions

- After installation, grip the firearm firmly and place your finger on the flat face of the trigger.
- Apply steady pressure to the trigger to fire the firearm. Ensure that your aim is aligned with the bore axis.
- Always be aware of your surroundings and ensure that you are in a safe shooting environment.

## Disposal Instructions

- When disposing of the trigger, ensure that it is rendered inoperable to prevent accidental use.
- Follow local regulations for the disposal of firearm components. Contact local authorities or waste

management services for guidance.

## **Contact Information for Further Support**

For any questions or concerns regarding the S&W Shield Action Enhancement Trigger, please refer to the manufacturer's customer support resources. Ensure you have your product details ready for a quicker resolution.

## **Conclusion**

The S&W Shield Action Enhancement Trigger is designed to enhance your shooting experience while ensuring safety. By following the guidelines in this manual, you can enjoy the improved performance of your firearm responsibly. Always prioritize safety and stay informed about best practices for firearm handling.
