

# AR-15 SKELETON STOCK ASSY FIXED RIFLE LENGTH - LUTH-AR

## AR-15 SKELETON STOCK ASSY FIXED RIFLE LENGTH BLK

[Rifle Parts](#) > [Stock Parts](#) > [Buttstocks](#)

The Luth-AR Buttstock Assemblies fit all AR-15 & 308 style rifles. These stocks easily replace existing A2 or A1 stock assemblies, and attach to a rifle length buffer extension tube. Cheek rest allows for an extra 1" of height and the rear allows for 1-1/16" of length of pull adjustment. Total weight of the MBA is 1.26 lbs, while the Skeleton Stock weighs in at 0.7 lbs. Both stocks are constructed from glass filled nylon, for superior durability. Overall length for each stock is 10-3/8" and the MBA can extend out to 11.5". Uncle Mike's QD Sockets (593-000-038) can be epoxied into socket on the side of each stock.

### Attributes

# Safety Instruction Guide for AR15 Skeleton Stock Assembly

## Introduction

Thank you for choosing the LuthAR AR15 Skeleton Stock Assembly. This product is designed to enhance your shooting experience while ensuring safety and compliance with the EU General Product Safety Regulation (GPSR). Please read this guide carefully to understand the safety precautions, installation instructions, and proper usage to ensure a safe and enjoyable experience.

## General Safety Guidelines

- Always treat every firearm as if it is loaded.
- Keep the firearm pointed in a safe direction at all times.
- Ensure that the stock assembly is properly installed before use.
- Regularly inspect the stock for any signs of wear or damage.
- Use only compatible buffer extension tubes as specified in the product specifications.
- Keep this product out of reach of children and unauthorized users.
- Report any unsafe products or accidents to the relevant authorities.
- Stay informed about any product recalls via the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- **Installation Safety:** Ensure the firearm is unloaded before installing the stock assembly.
- **Adjustment Caution:** Make sure to adjust the length of pull carefully to avoid pinching fingers or causing injury.
- **Material Durability:** The stock is made from glass filled nylon, which provides durability but can be damaged under extreme conditions. Avoid exposing the stock to harsh chemicals or extreme temperatures.
- **Cheek Rest Usage:** The cheek rest provides additional height; ensure it is securely attached before use.
- **Weight Consideration:** The total weight of the stock assembly is 0.7 lbs. Ensure your firearm can support this weight without compromising balance or handling.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the firearm is completely unloaded.
- Gather necessary tools for installation (if required).

### 2. Installation Steps:

- Remove the existing A2 or A1 stock assembly by unscrewing it from the buffer extension tube.
- Align the LuthAR Skeleton Stock Assembly with the buffer extension tube.
- Securely attach the stock assembly by tightening the screws or fasteners as per the manufacturer's instructions.
- Ensure the stock is firmly in place and does not wobble.

### 3. Adjustment:

- To adjust the length of pull, locate the adjustment mechanism on the rear of the stock.
- Pull or push the adjustment mechanism to achieve the desired length, ensuring it locks into place securely.

- Test the adjustment by shouldering the firearm to ensure comfort and fit.

#### **4. Usage:**

- Always perform a safety check before using the firearm.
- Use the cheek rest as needed for optimal aiming and comfort.
- Regularly check the stock for tightness and any signs of wear.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations for plastic and composite materials.
- Do not dispose of in regular household waste.
- Contact local waste management authorities for proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the product, please refer to the manufacturer's website or customer support resources.

By following these safety instructions, you can ensure a safe and enjoyable experience with your LuthAR AR15 Skeleton Stock Assembly. Always prioritize safety and remain informed about best practices for firearm handling and maintenance.
