

GUN CLEANING SYSTEM - RAMRODZ INC. .50 CALIBER

[Gun Cleaning & Chemicals](#) > [Patches & Mops](#) > [Cleaning Swabs](#)

Disposable Bore Cleaning Swabs Leave Nothing Behind

Disposable cleaners have tightly wound, low-lint cotton heads that wipe away all kinds of fouling and powder residue without leaving any fibers behind. Heads are designed to expand into rifling grooves and conform to barrel walls for maximum cleaning. Designed not to splatter and splash solvent onto you or your gun's finish. Also great for cleaning inside slides, chambers, receivers and magazine wells. Flexible bamboo handle won't snap under pressure and helps you get into hard-to-reach nooks and crannies. NOTE: For handgun cleaning, Ramrodz may be used alone. For rifle/shotgun cleaning, they must be used with a standard cleaning rod and the rod adapters sold below. Benefits: No mess or splatter, expands deep into every rifling grooves to remove all debris, faster and more thoroughly than patches, no adapters or tools are required, and they are ideal for shop or field use. RamRodz Rifle & Shotgun Adapters provide an efficient way to clean rifle and shotgun barrels, using caliber-specific RamRodz. Adapters Must use the RamRodz Rifle & Shotgun Adapters with the cleaning system to provide an efficient way to clean rifle and shotgun barrels, using caliber-specific RamRodz. When used with RamRodz, they eliminate the need for patches. Made of durable, reinforced nylon. Fits standard cleaning rod threads, 8-32. Each package contains 3 rifle and 3 shotgun adapters.

GUN CLEANING SYSTEM RAMRODZ INC. .50 CALIBER Safety Instruction Guide

Introduction

Thank you for choosing the GUN CLEANING SYSTEM RAMRODZ INC. .50 CALIBER. This product is designed to provide effective cleaning for your firearms while ensuring user safety. Please read this safety instruction guide carefully to understand how to use the product safely and effectively.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose, which is cleaning firearms.
- Keep the product out of reach of children and vulnerable individuals.
- Always wear appropriate protective eyewear when cleaning firearms to prevent splashes of solvents.
- Do not use the product in a confined space without proper ventilation.
- Check for any signs of damage to the product before use. Do not use if damaged.
- Store the product in a cool, dry place away from direct sunlight and heat sources.

Specific Safety Precautions for Use

- **Solvent Handling:**
 - Use solvents in accordance with the manufacturer's instructions.
 - Avoid skin contact with solvents; wear gloves if necessary.
 - In case of skin contact, wash immediately with soap and water.
- **Cleaning Process:**
 - Ensure the firearm is unloaded before cleaning.
 - Do not point the firearm at yourself or others during the cleaning process.
 - Use the RamRodz only as instructed, avoiding excessive force that could damage the firearm or the cleaning tool.
- **Adapters:**
 - Always use the RamRodz Rifle & Shotgun Adapters when cleaning rifle and shotgun barrels.
 - Ensure that the adapters are securely attached to the cleaning rod before use.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary materials including the RamRodz, cleaning rod, and any solvents.
- Ensure your workspace is clean and wellventilated.

2. Using RamRodz:

- For handgun cleaning:
 - Use the RamRodz alone to clean the barrel and other parts.
- For rifle/shotgun cleaning:
 - Attach the RamRodz to the standard cleaning rod using the appropriate adapter.
 - Insert the RamRodz into the barrel and gently pull through to clean.
 - Repeat as necessary until the barrel is clean.

3. Cleaning Other Parts:

- Use the RamRodz to clean inside slides, chambers, receivers, and magazine wells.
- Ensure that all parts are free from debris and residue.

4. PostCleaning:

- Dispose of used RamRodz and any cleaning materials according to local regulations.
- Store the cleaning system in a safe location.

Disposal Instructions

- Dispose of used RamRodz and cleaning materials in accordance with local waste disposal regulations.
- Do not dispose of solvents in drains or water sources.
- Ensure that all cleaning materials are kept out of the reach of children during disposal.

Contact Information for Further Support
