

# AR-15 M11-SPR MUZZLE BRAKE 22 CALIBER - PRECISION ARMAMENT M11-SPR MUZZLE BRAKE 22 CALIBER 1/2-28 SS BLACK

[Rifle Parts](#) > [Muzzle Devices](#) > [Compensators & Muzzle Brakes](#)

Designed for tactical applications that require minimal dust signature. A massive symmetrical blast baffle, combined with two compensated front baffles, redirect gas to the sides and upward delivering unparalleled recoil reduction while also minimizing muzzle rise and ground disturbance. High tolerance class-3 threads machined in same operation as bore aperture ensures perfect concentricity; this combined with a progressively decreasing baffle thickness minimizes bullet flight disturbance resulting in less yaw, higher BC, and improved accuracy. Computer FEA optimized for maximum strength to weight ratio and impact survivability. Precision CNC machined from high strength HTSR 400-series stainless steel bar for superior heat and corrosion resistance. Available in either an ultra wear resistant DLC (Diamond-Like Carbon) matte black finish. Wrench flats on top and bottom for easy installation and removal.

## Attributes

- Name: [PRECISION ARMAMENT M11-SPR MUZZLE BRAKE 22 CALIBER 1/2-28 SS BLACK](#)
- Manufacturer: [PRECISION ARMAMENT](#)
- Product no.: 100014396
- Mfr. No.: A04018
- Caliber: 22 Caliber (.223-.224)
- Finish: Black
- Material: -
- Threads: 1/2-28
- Weapon type: AR-15
- Delivery weight: 0.068kg
- Shipping height: 36mm
- Shipping width: 32mm
- Shipping length: 68mm

# AR15 M11SPR Muzzle Brake Safety Instruction Guide

## Introduction

Thank you for choosing the AR15 M11SPR Muzzle Brake. This product is designed to enhance the performance of your firearm while ensuring safety during use. Please read this safety instruction guide carefully to understand how to use the muzzle brake safely and effectively.

## General Safety Guidelines

- Always treat every firearm as if it is loaded.
- Keep the muzzle pointed in a safe direction at all times.
- Ensure you are familiar with the operation of your firearm and the muzzle brake before use.
- Wear appropriate personal protective equipment, including eye and ear protection, when using firearms.
- Store the muzzle brake and firearm in a secure location, away from children and unauthorized users.
- Regularly inspect the muzzle brake for any signs of wear or damage before each use.

## Specific Safety Precautions for Use

- Do not exceed the manufacturer's specifications for caliber and threading.
- Ensure that the muzzle brake is properly installed before using the firearm.
- Avoid using the muzzle brake with ammunition that exceeds the specified caliber of .22 (e.g., .223, .224).
- If you notice any unusual noise, vibration, or performance issues while using the muzzle brake, stop using it immediately and consult a professional.
- Be aware of your surroundings and ensure that you have a safe backstop when firing.

## Instructions for Installation and Usage

### Installation

1. **Ensure Safety:** Make sure the firearm is unloaded and pointed in a safe direction.
2. **Remove Existing Muzzle Device:** If applicable, use a wrench to remove any existing muzzle device from the firearm.
3. **Check Threads:** Inspect the threads on the muzzle brake and the firearm to ensure they are clean and free of debris.
4. **Install Muzzle Brake:**
  - Align the muzzle brake with the threads on the firearm.
  - Handtighten the muzzle brake onto the firearm until it is snug.
  - Use a wrench on the flats of the muzzle brake to securely tighten it, but do not overtighten.
5. **Final Check:** Ensure that the muzzle brake is securely attached and that there is no movement.

### Usage

- When using the firearm equipped with the muzzle brake, follow all standard firearm safety protocols.
- Be mindful of the direction of gas and debris expelled from the muzzle brake during firing.
- Regularly check the muzzle brake for any looseness or wear during use.

## Disposal Instructions

- Dispose of the muzzle brake in accordance with local regulations and guidelines for metal recycling.
- Do not dispose of the muzzle brake in regular household waste.

## **Contact Information for Further Support**

For any inquiries or concerns regarding the AR15 M11SPR Muzzle Brake, please reach out to the manufacturer or your point of purchase for assistance.

## **Conclusion**

By following these safety instructions, you can ensure the safe and effective use of the AR15 M11SPR Muzzle Brake. Always prioritize safety and responsible firearm handling. Thank you for your attention to these important safety guidelines.
