

AR-15 MBUS GEN 2 TACTICAL REAR SIGHT - MAGPUL MBUS REAR SIGHT FLIP-UP POLYMER FOR AR-15 STEALTH GRAY

[Rifle Parts](#) > [Sights](#) > [Rear Sights](#)

Low-profile, flattop-mounted, polymer sights deploy instantly at the touch of a finger to provide backup sighting if a primary optic fails. Streamlined contours mean there's nothing to snag on brush, sling, or other gear when folded. Spring-loaded ambidextrous release mechanism lets you hit the grooved tab on either side of the sight to deploy, and lock it in place. Hitting the same tabs retract the sight when you're done. Uses less than 1" of MIL-STD 1913 Picatinny receiver rail space and locks securely in place with the included steel crossbolt. Provides the same height over bore as standard A2 iron sights. Windage-adjustable rear sight has two apertures: a large, .185" peep and a .070" peep. Designed for AR-type rifles and carbines, fits any weapon with Picatinny rails.

Attributes

- Name: [MAGPUL MBUS REAR SIGHT FLIP-UP POLYMER FOR AR-15 STEALTH GRAY](#)

Safety Instruction Guide for AR15 MBUS GEN 2 Tactical Rear Sight

Introduction

Thank you for choosing the AR15 MBUS GEN 2 Tactical Rear Sight by Magpul. This guide provides essential safety instructions and guidelines to ensure the safe use of your product. Please read this manual carefully before installation and use.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose as a rear sight for ARtype rifles and carbines.
- Always handle firearms with care and follow all standard firearm safety practices.
- Inspect the sight regularly for any signs of wear or damage. Do not use the sight if it appears damaged.
- Keep the sight and all firearm accessories out of reach of children and unauthorized users.
- If you experience any issues with the sight, discontinue use immediately and seek assistance.

Specific Safety Precautions for Use

- Always ensure your firearm is unloaded before attaching or adjusting the sight.
- When deploying the sight, use the ambidextrous release mechanism carefully to avoid pinching fingers.
- Avoid placing your fingers in front of the sight when deploying or retracting it.
- Be aware of your surroundings and ensure that the sight is deployed in a safe direction.
- Do not attempt to modify the sight or its components in any way.

Instructions for Installation and Usage

Installation

1. **Ensure Safety:** Confirm that your firearm is unloaded and pointed in a safe direction.
2. **Locate the Picatinny Rail:** Identify the section of the Picatinny rail where you want to mount the sight.
3. **Position the Sight:** Align the sight with the rail, ensuring that it is oriented correctly.
4. **Attach the Sight:**
 - Use the included steel crossbolt to secure the sight in place.
 - Tighten the crossbolt until the sight is firmly attached but do not overtighten.
5. **Check Stability:** Gently pull on the sight to ensure it is locked securely in place.

Usage

1. **Deploying the Sight:**
 - To deploy, press the grooved tab located on either side of the sight.
 - The sight will spring up into position.
2. **Adjusting the Sight:**
 - Use the windage adjustment feature to align the sight as needed.
 - Choose between the large (.185") and small (.070") apertures based on your preference.
3. **Retracting the Sight:**
 - To retract, press the same grooved tabs used for deployment.
 - Ensure the sight is fully folded before storing.

Disposal Instructions

- When the sight reaches the end of its usable life, dispose of it responsibly.

- Check local regulations for guidance on the disposal of polymer products.
- Do not dispose of the sight in regular household waste. Instead, consider recycling options if available.

Contact Information for Further Support

For any inquiries regarding safety or product issues, please refer to the manufacturer's website or contact your local retailer.

Thank you for prioritizing safety while using the AR15 MBUS GEN 2 Tactical Rear Sight. Your adherence to these guidelines helps ensure a safe and enjoyable experience.
