

AR-15 ACS STOCK COLLAPSIBLE MIL-SPEC - MAGPUL ACS COLLAPSIBLE MIL-SPEC CARBINE STOCK FOR AR-15 GRAY

[Rifle Parts](#) > [Stock Parts](#) > [Buttstocks](#)

Drop-In Replacement For M4 Stock With Storage & Enhanced Comfort Features

Adaptable Carbine/Storage (ACS) stock is a drop-in replacement for standard USGI M4 collapsible stock that gives the tactical operator extra storage options, a secure, comfortable cheekweld, and an advanced dual-locking lever. Smooth, streamlined exterior contours prevent snagging on clothing, sling, or vegetation, and help ensure fast exits from vehicles without snagging on gear. Removable battery storage compartments run the full length of the extra-wide comb and hold 2 AA or 3 CR-123 batteries, while providing a wide, contoured area for an exceptionally solid, comfortable cheekweld. Secure molded rubber caps keep water and dust out of compartments and face the rear of the stock for easy removal; cap exterior is beveled to resist snagging when shouldering weapon. Positive-locking trapdoor on right side of the stock reveals a roomy storage compartment for additional batteries, coiled up cleaning cable and other cleaning supplies, ear plugs, spare parts, or other small items. Magpul's dual locking system uses an additional cam lever to protect the release lever from accidental operation, yet still allows you to adjust length of pull by simply pushing on the release lever. Slot molded in the toe provides an attachment point for a 1¼" wide sling. Also includes the same detachable rubber buttpad found on Magpul CTR and UBR buttstocks to help keep stock firmly mounted on shoulder. Mil-Spec fits 1.14" O.D. buffer tubes on Colt-manufactured M4 and similar mil-spec tubes that accept both four- and six-position collapsible stocks.

AR15 ACS Stock Consumer Safety Instruction Guide

Introduction

Thank you for choosing the AR15 ACS Collapsible MilSpec Stock by Magpul. This guide provides important safety information and instructions to ensure the safe use and maintenance of your product. Please read this guide carefully before using the stock.

General Safety Guidelines

- Ensure that the stock is compatible with your firearm before installation.
- Regularly inspect the stock for any signs of wear, damage, or malfunction.
- Always follow the manufacturer's instructions for proper use and maintenance.
- Keep the product out of reach of children and unauthorized users.
- Store the stock in a dry place to prevent moisture damage.
- Do not modify the stock in any way that may compromise its safety or functionality.

Specific Safety Precautions for Use

- Always verify that your firearm is unloaded before attaching or detaching the stock.
- Use the stock only with the intended firearm model (AR15).
- Ensure that the stock is securely locked in place before firing.
- Be cautious when adjusting the length of pull; ensure your fingers are clear of the adjustment mechanism.
- Avoid using the stock in wet or slippery conditions to prevent accidents.
- If you notice any unusual sounds or movements while using the stock, stop using it immediately and inspect for issues.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing stock by loosening the castle nut with an appropriate tool.
- Slide the AR15 ACS stock onto the buffer tube until it is fully seated.
- Tighten the castle nut securely to hold the stock in place.
- Check that the stock is locked in position and does not wobble.

2. Usage:

- To adjust the length of pull, locate the release lever on the side of the stock.
- Press the release lever while sliding the stock to the desired position.
- Ensure the stock is locked in place before firing.
- Use the molded rubber buttpad to maintain a secure shoulder mount during use.

3. Battery Storage:

- Open the removable battery storage compartments located at the comb of the stock.
- Insert 2 AA or 3 CR123 batteries as needed, ensuring they are oriented correctly.
- Close the compartments securely to prevent loss of items.

Disposal Instructions

- Dispose of the stock in accordance with local regulations regarding plastic and polymer materials.
- If the stock is damaged beyond repair, consider recycling the material if possible.
- Remove any batteries from the storage compartments before disposal.

Contact Information for Further Support

For any safety inquiries or further support, please refer to the contact information provided with your product packaging or visit the manufacturer's website.

Thank you for following these guidelines to ensure your safety and the proper functioning of your AR15 ACS Collapsible MilSpec Stock. Your safety is our priority, and we appreciate your attention to these important instructions.
