

MOE-K® GRIP FOR AR15/M4 - MAGPUL MOE-K GRIP POLYMER FOR AR-15/M4 STEALTH GRAY

[Rifle Parts](#) > [Grip Parts](#) > [Pistol Grips](#)

Designed as a drop-in upgrade for the standard AR15/M4 pistol grip, the MOE-K Grip provides an extremely low profile and compact design with a steeper grip angle compared to more traditional styles. The more vertical grip angle is optimized for use on PDW (Personal Defense Weapon) configurations and improves comfort and control on short LOP rifles that bring the primary hand in closer to the shooter's body. The thin profile and lack of backstrap 'beavertail' also makes it an excellent choice for shooters who prefer a smaller grip circumference. FEATURES All mounting hardware is included. One-piece reinforced polymer construction More vertical grip angle than standard A2 grips Minimalist design provides a compact and narrow profile Aggressive TSP texture for positive weapon control Made in the USA SPECS Platform: AR10, AR15, M4, M16, M110, SR25 Grip Angle: 20 degrees Height, receiver to bottom: 3.8 in. Thickness, max: 1.0 in. Weight, w/ hardware: 2.4 oz. NOTE: Will also fit most 7.62 NATO AR10/SR25 style of rifle

MOEK® GRIP FOR AR15/M4 Safety Instruction Guide

Introduction

Thank you for choosing the MOEK Grip for AR15/M4. This guide provides essential safety instructions to ensure the safe use and installation of your new grip. Please read all instructions carefully to minimize risks and enhance your experience with this product.

General Safety Guidelines

- Ensure the product is suitable for your firearm model before installation.
- Always follow local laws and regulations regarding firearm accessories.
- Inspect the grip regularly for wear or damage. Do not use if damaged.
- Keep the product out of reach of children and unauthorized users.
- Report any unsafe product experiences or accidents to the relevant authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

• Installation Precautions:

- Use only the mounting hardware provided with the grip.
- Ensure all screws are tightened securely to prevent loosening during use.

• Usage Precautions:

- Avoid using the grip if you are not familiar with firearms.
- Always handle your firearm with care and ensure it is unloaded when installing or adjusting accessories.
- Maintain a proper grip on the firearm to prevent slippage during use.

• Age Restrictions:

- This product is intended for adult users only. Keep away from children.

Instructions for Installation and Usage

1. Installation:

- Gather all necessary tools, including a screwdriver compatible with the mounting hardware.
- Remove the existing grip from your AR15/M4 firearm.
- Align the MOEK Grip with the lower receiver of the firearm.
- Insert the provided screws into the designated holes and tighten securely.
- Ensure the grip is firmly attached before using the firearm.

2. Usage:

- Hold the firearm with your dominant hand, using the MOEK Grip.
- Maintain a proper stance and grip to enhance stability and control.
- Practice safe shooting habits and always be aware of your surroundings.

Disposal Instructions

- Dispose of the grip in accordance with local regulations for plastic waste.
- Do not incinerate or expose the product to extreme heat as it may release harmful substances.

Contact Information for Further Support

For any questions or concerns regarding the MOEK Grip, please refer to the manufacturer's contact information provided in the product packaging or visit their official website for additional support.

By following these guidelines, you can ensure a safe and enjoyable experience with your MOEK Grip for AR15/M4. Thank you for your attention to safety.
