

# MKIII™ & 22/45™ MAGAZINE DISCONNECT BUSHING - TANDEMKROSS MKIII & 22/45 MAGAZINE DISCONNECT BUSHING

[Handgun Parts](#) > [Trigger Group Parts](#) > [Hammer Parts](#) > [Hammer Bushings](#)

High quality 304 stainless steel bushing replaces the factoryo Ruger bushing, allowing for safe removal of the magazine disconnect from Ruger® MKIII™ and 22/45™ pistols. Removing the disconnect allows the magazine to fall free from the gun, proper seating and allows the gun to fire with the magazine removed. Another added benefit is simplified takedown and cleaning. Once installed, the bushing will not effect trigger function or feel.

## Attributes

- Name: [TANDEMKROSS MKIII & 22/45 MAGAZINE DISCONNECT BUSHING](#)

# MKIII™ & 22/45™ Magazine Disconnect Bushing Safety Instructions

## Introduction

Thank you for choosing the MKIII™ & 22/45™ Magazine Disconnect Bushing by TANDEMKROSS. This product is designed to enhance the functionality of your Ruger® MKIII™ and 22/45™ pistols by allowing for the safe removal of the magazine disconnect. This guide provides essential safety instructions and information to ensure the safe use of this product in compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Always handle firearms and firearm accessories with care and respect.
- Ensure that the firearm is unloaded before installing or removing the magazine disconnect bushing.
- Keep this product out of reach of children and unauthorized users.
- Regularly inspect the bushing for signs of wear or damage.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about product recalls through the EU's Safety Gate platform.

## Specific Safety Precautions for Use

### • Installation Precautions:

- Ensure the firearm is completely unloaded before starting the installation process.
- Use appropriate tools as specified in the installation instructions to avoid damage.

### • Operational Precautions:

- After installation, test the firearm in a safe environment to ensure proper function.
- Do not attempt to use the firearm without the magazine installed if the magazine disconnect has been removed.

### • Maintenance Precautions:

- Regularly clean and maintain the bushing to ensure optimal performance.
- If you notice any irregularities in trigger function or feel, discontinue use and consult a professional.

### • Age Specific Warnings:

- This product is intended for use by individuals aged 18 and older. Ensure that younger individuals are supervised by a responsible adult when handling firearms.

## Instructions for Installation and Usage

### 1. Installation Steps:

- Ensure the firearm is unloaded.
- Remove the factory Ruger bushing by following the manufacturer's instructions.
- Align the MKIII™ & 22/45™ Magazine Disconnect Bushing with the corresponding slot in the firearm.
- Gently press the bushing into place until it is securely fitted.
- Confirm that the bushing is properly installed by checking for any movement.

## **2. Usage Instructions:**

- Once installed, the magazine disconnect will be removed, allowing the magazine to fall free from the firearm.
- The firearm can now be fired with the magazine removed, enhancing flexibility during shooting sessions.
- Always ensure that the firearm is pointed in a safe direction when firing.

## **3. PostInstallation Checks:**

- After installation, conduct a function check to ensure that the firearm operates correctly without the magazine disconnect.
- Test the trigger function to confirm that it operates smoothly and as expected.

## **Disposal Instructions**

- Dispose of the original factory bushing and any packaging materials in accordance with local regulations.
- Ensure that any waste materials are disposed of in an environmentally friendly manner.

## **Contact Information for Further Support**

For any inquiries regarding the MKIII™ & 22/45™ Magazine Disconnect Bushing, please refer to the manufacturer's website or contact your local authorized dealer. Always ensure that you have the product details available when seeking assistance.

By following these safety instructions, you can enjoy the enhanced functionality of your Ruger® MKIII™ and 22/45™ pistols while ensuring safe practices. Thank you for your attention to safety and responsible firearm use.
