MOE® Grip Panels for 1911 Full Size Safety Instructions

Introduction

Thank you for choosing the MOE® Grip Panels for your 1911 Full Size firearm. These grip panels are designed to enhance your control and comfort while ensuring safety during use. Please read this safety instruction guide carefully to ensure proper use and maintenance of the product, in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always handle your firearm with care and follow all standard firearm safety practices.
- Ensure that the grip panels are securely installed before using your firearm.
- Regularly inspect the grip panels for signs of wear or damage.
- Keep the grip panels clean and free from debris to maintain optimal grip and performance.
- Store your firearm in a secure location, out of reach of children and unauthorized users.
- Report any unsafe products or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- Ensure that the firearm is unloaded before installing or adjusting the grip panels.
- Do not use the grip panels if they show signs of damage, such as cracks or severe wear.
- Avoid exposing the grip panels to extreme temperatures or harsh chemicals, as this may compromise their integrity.
- If you experience any discomfort or issues while using the grip panels, discontinue use immediately and consult a qualified professional.

Instructions for Installation and Usage

1. Installation:

- Ensure that the firearm is unloaded.
- Remove the existing grip panels by unscrewing the grip screws using a suitable screwdriver.
- Align the new MOE® Grip Panels with the grip screw bushings on the firearm.
- Secure the grip panels in place by tightening the grip screws evenly.
- Check that the grip panels are firmly attached and do not shift when pressure is applied.

2. Usage:

- When holding the firearm, ensure your grip is firm but not overly tight, allowing for better control.
- Practice safe handling techniques and maintain awareness of your surroundings while using the firearm.
- Regularly check the grip panels for secure attachment and any signs of wear.

Disposal Instructions

- Dispose of the grip panels in accordance with local regulations for plastic waste.
- If the product is damaged or no longer usable, ensure it is disposed of in a manner that prevents environmental harm.

Contact Information for Further Support

For any questions or concerns regarding the MOE® Grip Panels, please refer to the manufacturer's website or your point of purchase for support and additional information.

Thank you for your attention to these safety instructions. Enjoy using your MOE® Grip Panels responsibly and safely.
