

# AR-15 PICATINNY XTM ENHANCED RAIL PANEL POLYMER - MAGPUL XTM ENHANCED RAIL PANEL PICATINNY POLYMER 1.5" GRAY 4/PK

[Rifle Parts](#) > [Forend & Handguard Parts](#) > [Handguard & Rail Accessories](#) > [Rail Covers](#)

The XTM Enhanced Rail Panels are low-profile, two-piece covers that attach anywhere on a 1913 Picatinny rail without having to remove previously mounted accessories. Replacing the original XTM Panels, the Enhanced XTM Panels feature an aggressive anti-slip texture and dual-side routing clips for retention of light/laser cables. The design and reinforced material construction ensure the panels will remain in place under all operating conditions, but allows for easy removal using the tips of two rounds when necessary. Eight section will make four panels that cover one side of a carbine-length rail. Available in Black, Flat Dark Earth, and OD Green.

## Attributes

- Name: [MAGPUL XTM ENHANCED RAIL PANEL PICATINNY POLYMER 1.5" GRAY 4/PK](#)
- Manufacturer: [MAGPUL](#)
- Product no.: 100014463

# Safety Instruction Guide for AR15 Picatinny XTM Enhanced Rail Panel

## Introduction

Thank you for choosing the AR15 Picatinny XTM Enhanced Rail Panel. This product is designed to enhance your firearm's functionality while ensuring safety during use. Please read this safety instruction guide carefully to understand how to use the product safely and effectively.

## General Safety Guidelines

- Always treat your firearm as if it is loaded.
- Ensure that the rail panel is securely attached before handling your firearm.
- Regularly inspect the rail panel for any signs of damage or wear.
- Keep the rail panel and your firearm out of reach of children and unauthorized users.
- Follow all local laws and regulations regarding firearm accessories.

## Specific Safety Precautions for Use

- Do not use the rail panel if it shows any signs of damage or if it is not securely attached to the rail.
- Be cautious when routing light or laser cables through the panel to avoid pinching or damaging the cables.
- Ensure that the surface of the rail panel is clean and dry before installation.
- Always use the recommended tools and methods for installation to avoid injury or damage to the product.
- Avoid using excessive force when removing or adjusting the panel to prevent injury.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather necessary tools, including a flathead screwdriver and the rail panels.

### 2. Installation:

- Align the XTM Enhanced Rail Panel with the desired location on the 1913 Picatinny rail.
- Press the panel firmly onto the rail until it clicks into place.
- Use the routing clips to secure any light or laser cables, ensuring they are not pinched.

### 3. Usage:

- Once installed, check the stability of the rail panel by gently pulling on it to ensure it is securely attached.
- If you need to remove the panel, use the tips of two rounds to gently pry it off without damaging the rail or the panel.

### 4. Maintenance:

- Periodically check the rail panel for signs of wear or damage.
- Clean the panel with a damp cloth to remove any dirt or debris.

## **Disposal Instructions**

- Dispose of the rail panel in accordance with local regulations for plastic waste.
- Do not incinerate the product as it may release harmful substances.

## **Contact Information for Further Support**

For any safety inquiries or concerns regarding the AR15 Picatinny XTM Enhanced Rail Panel, please refer to the manufacturer's contact information provided on the product packaging or visit the manufacturer's website.

Thank you for your attention to these safety instructions. Your safety and the safety of others is our top priority. Enjoy using your AR15 Picatinny XTM Enhanced Rail Panel responsibly!
