## Configure The Exact Sling You Want - Change It Any Time You Want

All new for 2014, the MS1 Sling System takes the Magpul multi-mission sling concept to new levels of function, capability, and modularity. The entire system is based on the MS1, a dedicated two-point sling built around our innovative new slider, which provides rapid sling adjustments without the tails, loops, or bulk of other solutions. Even while wearing gloves, the new slider is faster, easier, and lower profile than previous slings, but your sling setting stays put, even under load. The MS1 comes without connecting hardware so you can choose what you need for your specific application. Magpul Paraclips and push-button QDs are available individually to complement our selection of sling attachment points. For the option to convert to one-point use, simply add the appropriate one-point adapter that works with your choice of hardware. Melonite™ and manganese phosphate finished steel with custom snag-free high durability 1-1/4" webbing. Made in U.S.A. Available in Black, Coyote and Ranger Green.

# MS1 MultiMission Sling Safety Instructions

## Introduction

Thank you for choosing the MS1 MultiMission Sling by Magpul. This guide provides important safety instructions and guidelines to ensure the safe and effective use of your new sling. Please read this document carefully before use.

## General Safety Guidelines

- Ensure that the sling is suitable for your specific firearm and intended use.
- Always inspect the sling before use for any signs of wear or damage.
- Do not exceed the weight limit specified for the sling.
- Keep the sling out of reach of children and vulnerable individuals.
- Store the sling in a dry and safe place when not in use.
- Be aware of your surroundings when using the sling, especially in crowded or confined spaces.

## Specific Safety Precautions for Use

- **Hazard Identification:**

- Risk of injury if the sling is not properly attached to the firearm.
- Risk of entanglement if the sling is used inappropriately.

- **Avoiding Hazards:**

- Always ensure the sling is securely connected to both the firearm and your body.
- Do not use the sling for purposes other than those intended by the manufacturer.
- Avoid using the sling in wet or slippery conditions, as this may affect grip and control.
- Do not modify the sling or its components in any way.

- **Age Specific Warnings:**

- This product is not intended for use by children under 18 years of age.
- Adult supervision is recommended when the sling is used in the presence of minors.

## Instructions for Installation and Usage

### 1. Installation:

- Choose the appropriate attachment points for your firearm.
- Use Magpul Paraclips or pushbutton QDs as needed for secure connections.
- Ensure that the sling is adjusted to the correct length for your comfort and control.

### 2. Usage:

- When using the sling, ensure that it is properly adjusted to fit your body.
- Practice using the sling in a safe environment before using it in the field.
- Always maintain control of your firearm while using the sling.
- Be mindful of the sling's position and ensure it does not obstruct your movement.

## **Disposal Instructions**

- Dispose of the sling in accordance with local regulations.
- If the sling is damaged or no longer needed, consider recycling the materials if possible.
- Do not dispose of the sling in regular household waste if it contains hazardous materials.

## **Contact Information for Further Support**

For any safety inquiries or support regarding the MS1 MultiMission Sling, please refer to the contact information provided by the retailer or manufacturer.

By following these safety instructions, you can ensure a safer experience while using the MS1 MultiMission Sling. Thank you for your attention to these important guidelines.
