# MS1/MS3® QD Adapter Safety Instruction Guide

## Introduction

Thank you for choosing the MS1/MS3® QD Adapter that fits the Paraclip for a 2to1 point sling conversion. This product is designed to enhance the functionality of your sling while ensuring user safety. Please read this guide carefully to understand how to use and maintain the product safely.

## General Safety Guidelines

- Ensure that you are familiar with the product before use.
- Always inspect the adapter and sling for any signs of wear or damage before each use.
- Use the adapter only for its intended purpose as described in this guide.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe conditions or product failures to the appropriate authorities.

## Specific Safety Precautions for Use

- Do not exceed the recommended weight limit for the sling and adapter.
- Avoid using the adapter in wet or slippery conditions that may impair grip or visibility.
- Ensure that all connections are secure before using the sling.
- Never modify the adapter or use it with incompatible components.
- Be cautious when transitioning between onepoint and twopoint configurations to prevent accidents.

## Instructions for Installation and Usage

### Installation

1. **Prepare the Sling:** Ensure that your MS1® Sling is ready for attachment.
2. **Attach the QD Adapter:**
  - Locate the pushbutton QD socket on your receiver, end plate, or buttstock.
  - Insert the QD adapter into the socket and ensure it clicks securely in place.
3. **Connect the Paraclip:**
  - If using the optional Paraclip™, attach it to the sling as per the manufacturer's instructions.
  - Ensure the Paraclip™ is properly secured to prevent accidental release.

### Usage

- **OnePoint Configuration:**
  - Use the QD adapter for a singlepoint attachment to your weapon.
  - Ensure the sling is adjusted to your comfort level for easy maneuverability.
- **TwoPoint Configuration:**
  - Use the Paraclip™ to transition to a twopoint configuration.
  - Connect the Paraclip™ to compatible mounts, such as the Magpul RSA®, MSA®, or other snaphook style sling loops.
  - Confirm that the connection is secure and check for full range of motion.

## Disposal Instructions

- Dispose of the product responsibly and in accordance with local regulations.
- Do not dispose of the product in general waste; instead, consider recycling options for metal and plastic components.
- If the product is damaged or no longer usable, ensure it is disposed of in a manner that prevents accidental use.

## **Contact Information for Further Support**

For any inquiries or concerns regarding the MS1/MS3® QD Adapter, please refer to the manufacturer's website or contact the appropriate customer service department. Always ensure that you have the product details ready for a more efficient response.

By following these guidelines, you can ensure safe and effective use of the MS1/MS3® QD Adapter. Thank you for your attention to safety, and enjoy your product!
