# MS4 GEN2 DUAL QD SLING SAFETY INSTRUCTION GUIDE

## Introduction

Thank you for choosing the MS4 GEN2 Dual QD Sling by Magpul. This product is designed to enhance your shooting experience by providing a versatile and secure way to carry your rifle. To ensure your safety and the safety of others, please read and follow the safety instructions outlined in this guide.

## General Safety Guidelines

- Always treat your firearm as if it is loaded.
- Ensure that the sling is properly attached to both the firearm and your body before use.
- Regularly inspect the sling for signs of wear or damage. Replace it if any defects are found.
- Keep the sling away from children and unauthorized users.
- Store the sling in a safe place when not in use.
- Be aware of your surroundings and ensure that the sling does not interfere with your movement or the operation of your firearm.

## Specific Safety Precautions for Use

- Use the sling only for its intended purpose: to carry and support your firearm.
- Do not exceed the manufacturer's recommended weight limit for the sling.
- Ensure that all QD attachment points are securely fastened before use.
- Avoid using the sling in wet or slippery conditions where it may not perform as expected.
- Do not modify the sling or use it in ways not recommended by the manufacturer.
- Be cautious when transitioning between onepoint and twopoint configurations to avoid accidental release or entanglement.

## Instructions for Installation and Usage

### Installation

1. **Identify QD Attachment Points:** Locate the front and rear QD attachment points on your firearm.
2. **Attach the Sling:**
  - Align the QD swivel on the sling with the attachment point.
  - Push the button on the QD swivel and insert it into the attachment point until it clicks securely in place.
  - Repeat the process for the other end of the sling.
3. **Adjust Length:** Adjust the length of the sling to ensure a comfortable fit when carrying the firearm.

### Usage

- **OnePoint Configuration:**
  - To use the sling in a onepoint configuration, attach one end of the sling to the rear QD attachment point.
  - Let the other end hang freely, allowing for quick transitions.
- **TwoPoint Configuration:**
  - For a twopoint configuration, ensure that both ends of the sling are attached to the QD attachment points on the front and rear of the firearm.
  - Adjust the sling length for optimal comfort and accessibility.

## **Disposal Instructions**

- When the sling has reached the end of its usable life, dispose of it in accordance with local regulations.
- Do not dispose of the sling in a manner that could pose a risk to the environment or public safety.

## **Contact Information for Further Support**

For safety inquiries or further assistance, please reach out to the designated EU contact point provided by the manufacturer. Ensure you have your product details ready for a more efficient response.

Thank you for your attention to these safety instructions. Your safety and the safety of others is our top priority. Enjoy your MS4 GEN2 Dual QD Sling responsibly!
