308 AR Lower Gunbuilder's Lower Parts Kit Safety Instructions

Introduction

Thank you for purchasing the 308 AR Lower Gunbuilder's Lower Parts Kit by CMMG. This kit is designed for use in building or customizing your AR308 rifle. It is important to follow the safety guidelines and instructions provided in this manual to ensure safe and effective use of the product.

General Safety Guidelines

- Ensure that all components are compatible with your firearm before use.
- Always handle firearms with care and follow safe shooting practices.
- Store all parts in a secure location, out of reach of children and unauthorized users.
- Regularly inspect components for signs of wear or damage before installation.
- Use personal protective equipment (PPE) such as safety glasses and gloves during installation and handling.
- Report any unsafe products or accidents to the relevant authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Hazard Identification:**
 - Improper installation may lead to malfunction or injury.
 - Small parts pose a choking hazard for children.
- **Avoiding Hazards:**
 - Always ensure that the firearm is unloaded before beginning any installation work.
 - Follow the manufacturer's instructions carefully during installation.
 - Do not use damaged or worn parts; replace them immediately.
 - Keep small components away from children and pets.
- **AgeSpecific Warnings:**
 - This product is intended for use by adults only. Keep out of reach of children.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools required for installation.
- Ensure a clean and welllit workspace.

2. Installation Steps:

- **Takedown Pin and Pivot Pin:**
 - Insert the takedown pin into the designated hole on the lower receiver.
 - Align the pivot pin with the corresponding hole and insert it securely.

- **Bolt Catch:**
 - Install the bolt catch in its designated position.
 - Use the provided bolt catch screw to secure it in place.
- **Safety Selector:**
 - Insert the safety selector into the lower receiver.
 - Ensure it rotates freely and engages properly.
- **Magazine Catch:**
 - Install the magazine catch and its spring into the lower receiver.
 - Ensure it operates smoothly for magazine release.

3. **Final Inspection:**

- After installation, conduct a thorough inspection to ensure all parts are securely in place and functioning correctly.
- Test the functionality of the safety selector, magazine catch, and bolt catch to confirm proper operation.

Disposal Instructions

- Dispose of any unused or damaged parts in accordance with local regulations.
- Do not dispose of components in regular household waste; check for designated electronic waste disposal sites if applicable.

Contact Information for Further Support

For any questions or concerns regarding the installation or safety of your 308 AR Lower Gunbuilder's Lower Parts Kit, please refer to the manufacturer's website or customer support resources for assistance.
