AR15/M16 Upper Small Parts Kit Safety Instructions

Introduction

Thank you for choosing the AR15/M16 Upper Small Parts Kit by CMMG. This kit contains commonly replaced parts for your AR15 and M16 rifles, allowing you to refurbish and repair your firearm efficiently. Please read this safety instruction guide carefully to ensure safe handling and proper use of the product.

General Safety Guidelines

- Always handle firearms and related components with care and respect.
- Ensure that you are familiar with your firearm's operation and safety features before use.
- Store all parts in a secure location, out of reach of children and unauthorized users.
- Inspect parts for damage or wear before installation. Do not use damaged components.
- Follow all local laws and regulations regarding firearm ownership and maintenance.
- Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Ensure that the firearm is unloaded before attempting to install or replace any parts.
- Use appropriate tools and equipment to prevent injury during installation.
- Wear safety glasses to protect your eyes from debris while working on your firearm.
- Avoid wearing loose clothing or jewelry that may get caught in moving parts.
- If unsure about any installation steps, seek assistance from a qualified gunsmith.

Instructions for Installation and Usage

1. Preparation

- Ensure that your work area is clean and welllit.
- Gather all necessary tools and components from the kit.

2. Installation Steps

- Unload the firearm completely and verify that it is safe to work on.
- Remove the upper receiver from the lower receiver of the firearm.
- Identify the part you wish to replace or refurbish.
- Carefully remove the existing part using the appropriate tools.
- Install the new part from the kit, ensuring it fits securely and correctly.
- Reassemble the upper receiver and lower receiver.
- Check the functionality of the firearm by performing a function check without ammunition.

3. PostInstallation

- Store any unused parts safely.
- Clean your work area and tools after completing the installation.

Disposal Instructions

- Dispose of any damaged or nonfunctional parts in accordance with local regulations.
- Do not throw parts in regular household waste. Instead, use designated disposal methods for hazardous materials if applicable.

- Ensure that any disposed parts do not pose a risk to the environment or public safety.
