

M11 MUZZLE BRAKE 338 CALIBER - PRECISION ARMAMENT M11 MUZZLE BRAKE 338 CALIBER 5/8-24 SS BLACK

[Rifle Parts](#) > [Muzzle Devices](#) > [Compensators & Muzzle Brakes](#)

Designed for tactical applications that require minimal dust signature. A massive symmetrical blast baffle, combined with two compensated front baffles, redirect gas to the sides and upward delivering unparalleled recoil reduction while also minimizing muzzle rise and ground disturbance. High tolerance class-3 threads machined in same operation as bore aperture ensures perfect concentricity; this combined with a progressively decreasing baffle thickness minimizes bullet flight disturbance resulting in less yaw, higher BC, and improved accuracy. Computer FEA optimized for maximum strength to weight ratio and impact survivability. Precision CNC machined from high strength HTSR 400-series stainless steel bar for superior heat and corrosion resistance. Available in either an ultra wear resistant DLC (Diamond-Like Carbon) matte black finish, or stainless steel in-the-white, satin finish. Wrench flats on top and bottom for easy installation and removal. Accu-Washer Muzzle Alignment System advised for installation.

Attributes

- Name: [PRECISION ARMAMENT M11 MUZZLE BRAKE 338 CALIBER 5/8-24 SS BLACK](#)
- Manufacturer: [PRECISION ARMAMENT](#)
- Product no.: 100014635
- Mfr. No.: A04008
- Caliber: 338 Caliber (.338)
- Finish: Black
- Material: Stainless Steel
- Threads: 5/8-24
- Weapon type: AR .308
- Delivery weight: 0.113kg
- Shipping height: 36mm
- Shipping width: 36mm
- Shipping length: 71mm

M11 Muzzle Brake 338 Caliber Safety Instructions

Introduction

Thank you for choosing the M11 Muzzle Brake 338 Caliber by Precision Armament. This product is designed for tactical applications, ensuring minimal dust signature and optimal performance. Please read and follow these safety instructions carefully to ensure safe use and compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- **Product Safety:** This product is designed to ensure safe use, minimizing risks associated with its operation.
- **Enhanced Recalls:** In the event of a safety issue, recall notices will be standardized, and free remedies will be provided for dangerous products.
- **Online Shopping:** When purchasing online, you are entitled to the same safety protections as when buying in physical stores.
- **Special Consumer Focus:** Additional safeguards are in place for vulnerable groups, including children.
- **EU Contact Point:** For safety inquiries, please ensure you have access to EU-based contact information.
- **Rapid Alerts:** Stay informed about unsafe products through the Safety Gate system, which provides fast updates.

Specific Safety Precautions for Use

- **Hazard Identification:**
 - Improper installation may lead to malfunction or injury.
 - Ensure the product is compatible with your firearm.
- **Avoiding Hazards:**
 - Always handle the muzzle brake with care and ensure it is properly secured to the firearm before use.
 - Do not modify the muzzle brake or use it in any manner not intended by the manufacturer.
 - Use protective eyewear and hearing protection when operating firearms equipped with this muzzle brake.
- **Age Restrictions:** This product should only be used by individuals who are of legal age to handle firearms in their jurisdiction.

Instructions for Installation and Usage

- **Installation:**
 1. Ensure the firearm is unloaded and pointed in a safe direction.
 2. Clean the muzzle threads of the firearm to remove any debris.
 3. Align the muzzle brake with the firearm's muzzle.
 4. Handtighten the muzzle brake onto the threads (5/824).
 5. Use a wrench to secure the muzzle brake, ensuring it is snug but not overtightened.
 6. It is recommended to use the AccuWasher Muzzle Alignment System for optimal installation.
- **Usage:**
 - Confirm that the muzzle brake is securely attached before firing.

- Regularly inspect the muzzle brake for signs of wear or damage.
- If any issues are identified, cease use immediately and contact a qualified gunsmith.

Disposal Instructions

- When disposing of the M11 Muzzle Brake, follow local regulations for the disposal of metal products.
- If the product is damaged or no longer usable, it should be recycled where facilities exist, or disposed of in accordance with local waste management guidelines.

Contact Information for Further Support

For any questions or concerns regarding the M11 Muzzle Brake 338 Caliber, please refer to the manufacturer's contact information provided with your purchase. Ensure you have the product details ready for assistance.

Thank you for your attention to these safety instructions. By following these guidelines, you can ensure a safe and effective experience with your M11 Muzzle Brake.
