# Safety Instruction Guide for AR15/M16 22LR Bolt Rehab Kit

## Introduction

Thank you for purchasing the CMMG AR15/M16 22LR Bolt Rehab Kit. This kit is designed to help maintain the functionality of your CMMG or similar AR15/M16 .22LR firearm. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

## General Safety Guidelines

- Ensure that all parts of the kit are compatible with your firearm before use.
- Always handle firearms with care and follow all safety protocols.
- Keep the kit and all firearm components out of reach of children and unauthorized users.
- Inspect the kit for any damage before use. Do not use damaged components.
- Follow local laws and regulations regarding firearm maintenance and modifications.

## Specific Safety Precautions for Use

- Always wear safety glasses when working with firearms to protect your eyes from debris.
- Make sure the firearm is unloaded and the chamber is clear before beginning any maintenance.
- Use appropriate tools when handling small parts to avoid injury.
- Avoid using excessive force when installing or removing parts to prevent damage.
- If you are unsure about any step in the process, consult a qualified gunsmith or professional.

## Instructions for Installation and Usage

### 1. Preparation

- Gather all components of the kit: firing pin, firing pin retaining pin, extractor pin, .22 extractor, and extractor roll pin.
- Ensure you have the necessary tools, including a punch tool and a hammer.

### 2. Installation Steps

#### ◦ Firing Pin Installation

- Remove the old firing pin from the bolt assembly.
- Insert the new firing pin into the bolt assembly.
- Secure it in place with the firing pin retaining pin.

#### ◦ Extractor Installation

- Remove the old extractor pin from the bolt.
- Insert the new .22 extractor into the bolt.
- Secure it using the extractor pin and roll pin.

### 3. Final Checks

- Ensure all parts are securely installed and there are no loose components.
- Conduct a visual inspection to confirm that the assembly is correct.
- Test the bolt operation manually to ensure smooth function.

## **Disposal Instructions**

- Dispose of any old or damaged components in accordance with local regulations.
- Do not dispose of firearm parts in regular household waste.
- Consider recycling options available for metal components.

## **Contact Information for Further Support**

- For any questions or concerns regarding the use of this product, please consult the manufacturer or a qualified professional. Ensure to have your purchase details ready for reference.

## **Conclusion**

By following these safety instructions, you can ensure the safe and effective use of the CMMG AR15/M16 22LR Bolt Rehab Kit. Always prioritize safety and consult professionals when in doubt. Thank you for choosing this product for your firearm maintenance needs.
