

# AR-15 FRS-15 ENHANCED STOCK KIT WITH QD - Thordsen Customs

## AR-15 FRS-15 ENHANCED STOCK KIT WITH QD, BLK

[Rifle Parts](#) > [Stock Parts](#) > [Buttstocks](#)

The FRS-15 Stock and Buffer Tube Covers allow for the AR-15 enthusiast to comply with State regulations, while still maintaining a functional rifle. The traditional stock contour will suit most shooters, and the checkered grip will ensure a consistent hold. The FRS-15 stock also features multiple sling hardpoints and compatibility with standard M4 recoil pads. The stock comes with a buffer tube cover. Which has the option for the inclusion of QD sling mounts. The cover also accepts some M4 cheek risers, such as 100-012-476. For residents of States with restrictions, replacement of the pistol grip and stock with these parts eliminates two prohibited characteristics or features that define an "Assault Weapon". Other restrictions may apply in your area, so please check with local laws prior to installation. Some regulations may require permanent attachment of the stock. Laws and regulations can change at any time; the user is responsible for making sure his rifle stays compliant.

### Attributes

- Name: [Thordsen Customs AR-15 FRS-15 ENHANCED STOCK KIT WITH QD, BLK](#)
- Manufacturer: [Thordsen Customs](#)
- Product no.: 100014781

# Safety Instruction Guide for AR15 FRS15 Enhanced Stock Kit with QD

## Introduction

Thank you for choosing the AR15 FRS15 Enhanced Stock Kit with QD by Thordsen Customs. This guide provides essential safety instructions and guidelines to ensure the safe use and installation of your product. Please read this document carefully before using the stock kit.

## General Safety Guidelines

- Ensure that the product is suitable for your specific AR15 model and complies with local regulations.
- Always handle firearms with care and ensure they are unloaded when installing or modifying parts.
- Keep the stock kit out of reach of children and unauthorized users.
- Regularly inspect the stock kit for signs of wear or damage before each use.
- Follow all local laws and regulations regarding firearm modifications and usage.
- Report any unsafe conditions or incidents to the appropriate authorities.

## Specific Safety Precautions for Use

### • Potential Hazards:

- Improper installation may lead to malfunction or injury.
- Failure to comply with local laws may result in legal penalties.

### • Avoiding Hazards:

- Follow the installation instructions provided in this guide.
- Ensure proper attachment of the stock to the lower receiver at the grip location.
- Use only compatible accessories and parts, such as M4 recoil pads and cheek risers.
- Do not exceed the weight limit of the stock when adding accessories.

### • Age Specific Warnings:

- This product is intended for use by individuals aged 18 and older. Ensure that younger users are supervised by a responsible adult.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure your AR15 rifle is unloaded and in a safe condition before beginning installation.
- Gather necessary tools for installation, including a wrench and screwdriver.

### 2. Installation Steps:

- Remove the existing stock from your AR15 by unscrewing it from the lower receiver.
- Align the FRS15 stock with the grip location on the lower receiver.
- Securely attach the stock using the included screws, ensuring a tight fit.
- If using the buffer tube cover, slide it over the buffer tube and secure it in place.
- If desired, install QD sling mounts by following the specific instructions provided with the mounts.
- Check compatibility with M4 cheek risers, and install if applicable.

### **3. Usage:**

- Once installed, ensure the stock is secure before using the rifle.
- Maintain a proper grip on the stock while aiming and firing to ensure stability and control.

### **4. PostInstallation Check:**

- After installation, conduct a function check to ensure the stock operates correctly.
- Inspect the attachment points for any movement or looseness.

## **Disposal Instructions**

- Dispose of the stock kit in accordance with local regulations.
- Do not dispose of the product in regular household waste. Check for local recycling programs or hazardous waste disposal options.
- Remove any accessories or components that may be hazardous before disposal.

## **Contact Information for Further Support**

For any questions or concerns regarding the use or safety of your AR15 FRS15 Enhanced Stock Kit, please refer to the manufacturer's website or customer service resources for further assistance.

Thank you for prioritizing safety and compliance while enjoying your AR15 FRS15 Enhanced Stock Kit.
