# MOE® Grip Panels for 1911 Full Size Safety Instruction Guide

## Introduction

Thank you for purchasing the MOE® Grip Panels for your 1911 Full Size firearm. This guide provides essential safety information, installation instructions, and best practices to ensure safe and effective use of the product. Please read this manual carefully before installation and use.

## General Safety Guidelines

- Ensure that the firearm is unloaded before installing or handling the grip panels.
- Always follow the manufacturer's instructions for your firearm.
- Keep the grip panels out of reach of children and unauthorized users.
- Regularly inspect the grip panels for wear or damage. Replace if necessary.
- Do not modify the grip panels in any way, as this may compromise safety and performance.
- Report any unsafe products or accidents to local authorities.
- Stay informed about recalls or safety updates through the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Only use the MOE Grip Panels on compatible fullsize 1911 firearms.
- Ensure the grip panels are securely attached before using the firearm.
- Be aware of the aggressive texture of the grip panels; they are designed for enhanced control but may cause discomfort with prolonged use.
- If you experience any discomfort or issues while using the grip panels, discontinue use immediately and consult a qualified gunsmith.

## Instructions for Installation and Usage

### Installation Instructions

#### 1. Gather Required Tools:

- Phillips screwdriver
- Torque wrench (optional)

#### 2. Prepare the Firearm:

- Ensure the firearm is unloaded.
- Remove the existing grip panels by unscrewing the grip screws.

#### 3. Install the MOE Grip Panels:

- Align the grip panels with the grip screw bushings on the firearm.
- Insert the grip screws and tighten them securely. Do not overtighten to avoid damaging the panels or the firearm.

#### 4. Check Installation:

- Ensure that the grip panels are firmly attached and do not wobble.
- Test the magazine release cutout for proper functionality.

## **Usage Instructions**

- Hold the firearm with a firm grip, utilizing the antislip texture of the grip panels for enhanced control.
- Practice safe firearm handling at all times, including keeping the muzzle pointed in a safe direction and keeping your finger off the trigger until ready to shoot.
- Familiarize yourself with the feel and handling characteristics of the firearm with the new grip panels before using it in a live situation.

## **Disposal Instructions**

- Dispose of any damaged or worn grip panels in accordance with local regulations.
- Do not dispose of the grip panels in regular household waste. Instead, check for local recycling programs or hazardous waste disposal options.

## **Contact Information for Further Support**

For any questions or concerns regarding the MOE Grip Panels for 1911 Full Size, please refer to the manufacturer's website or contact your local dealer for assistance.

Thank you for prioritizing safety and responsible firearm ownership. Enjoy your enhanced grip experience with the MOE Grip Panels!
