# MOE® GRIP PANELS FOR 1911 FULL SIZE MAGPUL 1911 GRIPS, PINK Safety Instruction Guide

## Introduction

Thank you for choosing the MOE® Grip Panels for your 1911 fullsize firearm. This guide provides essential safety information and instructions for the proper use and installation of the grip panels. Please read this guide carefully to ensure safe operation and compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Ensure that the grip panels are compatible with your specific 1911 model before installation.
- Inspect the grip panels for any visible damage before use. Do not use if damaged.
- Keep the grip panels out of reach of children and vulnerable individuals.
- Follow all local laws and regulations regarding firearm accessories and usage.
- Report any unsafe product experiences to the appropriate authorities.

## Specific Safety Precautions for Use

- The grip panels are designed for use on fullsize framed 1911s with standard grip screw bushings only.
- Ensure that the grip panels are securely installed before handling the firearm.
- Avoid applying excessive force when installing or adjusting the grip panels to prevent damage.
- Do not modify the grip panels in any way, as this may compromise safety and functionality.
- Always handle your firearm with care, following proper firearm safety protocols.

## Instructions for Installation and Usage

### 1. Preparation

- Gather necessary tools: a screwdriver suitable for grip screws.
- Ensure your firearm is unloaded and pointed in a safe direction.

### 2. Removal of Old Grips

- Remove the existing grips by unscrewing the grip screws.
- Carefully take off the old grips and set them aside.

### 3. Installation of MOE Grip Panels

- Align the MOE grip panels with the grip screw bushings on the firearm frame.
- Insert the grip screws through the holes in the grip panels and into the bushings.
- Tighten the screws gently but securely, ensuring that the grip panels are firmly attached without overtightening.

### 4. Final Inspection

- Check that the grip panels are properly aligned and securely fastened.
- Ensure that there are no gaps between the grip panels and the firearm frame.

### 5. Usage

- Once installed, the grip panels can be used as intended. Enjoy the improved control and comfort provided by the MOE grip panels.

## **Disposal Instructions**

- Dispose of any packaging materials in accordance with local waste disposal regulations.
- If the grip panels are no longer usable, follow local guidelines for disposal of plastic products. Do not dispose of them in regular household waste.

## **Contact Information for Further Support**

For any questions or concerns regarding the MOE Grip Panels, please contact the manufacturer or your local retailer for assistance. They can provide additional information and support as needed.

Thank you for taking the time to read this safety instruction guide. Your safety and satisfaction are our top priorities. Enjoy your enhanced grip experience with the MOE® Grip Panels for your 1911 firearm.
