Safety Instruction Guide for AR15/M16 MountNSlot Keymod Quick Detach Mount

Introduction

Thank you for choosing the Impact Weapons Components MountNSlot Keymod Quick Detach Mount. This product is designed to enhance the functionality of your firearm by providing a secure attachment point for slings without the need for a picatinny rail section. This guide provides essential safety information, installation instructions, and maintenance tips to ensure safe and effective use of the product.

General Safety Guidelines

- Always follow local laws and regulations regarding firearm accessories.
- Ensure that the product is used only for its intended purpose.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the mount for any signs of wear or damage before each use.
- Report any unsafe conditions or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- **Installation Safety:** Ensure the mount is installed correctly to avoid accidental detachment during use.
- **Weight Limit:** Do not exceed the manufacturer's recommended weight limit for slings or attached accessories.
- **Positioning:** Be aware of the sling positioning to avoid interference with the firearm's operation.
- **Rotational Limit:** Respect the rotational limit of 8 positions to maintain proper sling alignment.
- **Material Awareness:** The mount is made from CNC machined 6061T6 aluminum with a hard anodized finish. Avoid exposure to harsh chemicals that may damage the finish.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Locate the desired position on the Keymod handguard for the mount.
- Align the mount with the Keymod slot and slide it into place.
- Secure the mount using the provided screws. Tighten until snug, but do not overtighten to avoid damaging the handguard.

2. Usage:

- Attach your sling to the QD socket on the mount.
- Adjust the sling to the desired length and ensure it is securely fastened.
- Rotate the sling to one of the 8 available positions for optimal use between carrying and firing.

3. Maintenance:

- Regularly check the tightness of the screws and the condition of the mount.
- Clean the mount with a soft cloth and mild soap if necessary. Avoid abrasive materials.
- Store the mount in a cool, dry place when not in use.

Disposal Instructions

- Dispose of the product in accordance with local regulations regarding metal and electronic waste.
- Do not dispose of the product in regular household waste.
- If the product is damaged or no longer usable, consider recycling options to minimize environmental impact.

Contact Information for Further Support

For any questions or concerns regarding the safety or use of this product, please refer to the manufacturer's website or contact the retailer from whom you purchased the product. Always ensure that you have the latest safety information and updates.

Thank you for your attention to these safety guidelines. Your safety is our priority, and we appreciate your commitment to responsible firearm ownership.
