1911 Sharkskin Grips Safety Instruction Guide

Introduction

Thank you for choosing the 1911 Sharkskin Grips by Kensight MFG. These grips are designed for durability, comfort, and improved handling of your 1911 handguns. This safety instruction guide provides essential information on how to use, install, and dispose of the grips safely, in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure that the grips are compatible with your specific model of 1911 handgun (Government or Commander).
- Always handle firearms with care and ensure they are unloaded before installation or maintenance.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the grips for any signs of wear or damage. If any issues are found, discontinue use immediately.
- Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- The aggressive texture of the grips is designed for enhanced grip; however, ensure your hands are clean and dry to prevent slipping.
- Avoid exposing the grips to extreme temperatures or harsh chemicals that could damage the polymer material.
- If you experience any discomfort or adverse reactions while using the grips, stop using them immediately and consult a professional.

Instructions for Installation and Usage

1. Preparation

- Ensure your firearm is unloaded and pointed in a safe direction.
- Gather necessary tools, including a screwdriver appropriate for your firearm's grip screws.

2. Installation

- Remove the existing grips from your 1911 handgun by unscrewing the grip screws.
- Align the new Sharkskin grips with the grip frame of the handgun.
- Secure the grips in place by tightening the grip screws. Ensure they are snug but do not overtighten to avoid damaging the grips or the firearm.

3. Usage

- Once installed, hold the firearm with the new grips, ensuring a firm and comfortable grip.
- Practice safe handling and storage of your firearm at all times.

Disposal Instructions

- When disposing of the grips, follow local regulations for plastic disposal.
- If the grips are damaged beyond use, consider recycling them if possible.
- Do not dispose of the grips in regular household waste if they are still functional; consider passing them on to someone who can use them.

Contact Information for Further Support

For any safety inquiries or concerns regarding the 1911 Sharkskin Grips, please contact your local dealer or the manufacturer directly. Ensure you keep your purchase information handy for reference.

Thank you for prioritizing safety while using the 1911 Sharkskin Grips. Your responsible handling and usage contribute to a safer environment for all.
