

AR-15 PICATINNY LADDER RAIL PANEL POLYMER - MAGPUL LADDER RAIL PANEL PICATINNY POLYMER 7" FOR AR-15 FDE

[Rifle Parts](#) > [Forend & Handguard Parts](#) > [Handguard & Rail Accessories](#) > [Rail Covers](#)

Press Into Empty Cross Slots For Enhanced Grip & Rail Protection

Flexible ladder-style panel snaps securely into unused cross slots on Picatinny rails, protecting against dirt and dings and improving grip and weapon control. Prevents sharp rail edges from digging into your hand, snagging on clothing, and causing damage to gear, like cut and frayed slings or repelling ropes. Made of rubbery, slip-resistant Santoprene™ thermoplastic elastomer, the ultra-low-profile design keeps your handguard diameter slim. Covers 18 slots or can easily be trimmed to custom lengths and fitted between mounted accessories. To remove, simply pry up a corner and peel off. Manufactured by Falcon Industries.

Attributes

- Name: [MAGPUL LADDER RAIL PANEL PICATINNY POLYMER 7" FOR AR-15 FDE](#)
- Manufacturer: [MAGPUL](#)
- Product no.: 100015130

Safety Instruction Guide for AR15 Picatinny Ladder Rail Panel

Introduction

Thank you for choosing the AR15 Picatinny Ladder Rail Panel. This guide provides essential safety instructions and information to ensure the safe and effective use of this product. Please read this guide carefully before installation and use.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose as a rail cover for Picatinny rails.
- Regularly inspect the ladder rail panel for signs of wear or damage. Do not use if damaged.
- Keep the product out of reach of children and vulnerable individuals to prevent accidental injury.
- Report any unsafe conditions or product-related accidents to the appropriate authorities.
- Stay informed about any product recalls or safety alerts via the EU Safety Gate platform.

Specific Safety Precautions for Use

- Avoid sharp edges: The ladder rail panel is designed to protect against sharp rail edges. Ensure it is properly installed to avoid any injury.
- Grip and control: The slip-resistant material improves grip and control of your weapon. Ensure it is securely attached before use.
- Do not modify: Avoid altering the ladder rail panel in any way that could compromise its integrity or safety features.
- Environmental considerations: Keep the product away from extreme heat, moisture, or corrosive substances that may degrade the material.

Instructions for Installation and Usage

1. Installation:

- Identify the unused cross slots on your Picatinny rail.
- Align the ladder rail panel with the desired slots.
- Firmly press the panel into the slots until it snaps securely into place.
- Ensure that the panel covers the sharp edges of the rail.

2. Usage:

- Use the ladder rail panel to enhance grip and control while handling your AR15.
- If necessary, the panel can be trimmed to custom lengths using appropriate cutting tools.
- To remove the panel, gently pry up one corner and peel it off from the rail.

Disposal Instructions

- Dispose of the ladder rail panel in accordance with local regulations for plastic waste.
- Do not incinerate or expose the product to excessive heat during disposal.

Contact Information for Further Support

For inquiries regarding safety or product information, please refer to the contact information provided by the manufacturer or retailer.
