

3-PIECE DIAMOND TIP PIVOT HANDLE TWEEZERS - RAMRODZ INC.

3-PIECE DIAMOND TIP PIVOT HANDLE TWEEZERS

[Gunsmith Tools](#) > [General Gunsmith Tools](#) > [Pliers & Tweezers](#)

The Pro Series Diamond Grip Tweezers are a versatile set of tools designed to add precision to your gunsmithing tool set. Constructed of stainless steel, the tweezers feature diamond coated tips for increased friction when grabbing small parts such as springs, detents, and screws. Pivoting handle allows user to swivel tweezers open and utilize one tip for precision micro filing or to keep positive pressure on spring loaded detents for example when seating front takedown pin on AR lowers.

3Piece Diamond Tip Pivot Handle Tweezers Safety Instruction Guide

Introduction

Thank you for choosing the 3Piece Diamond Tip Pivot Handle Tweezers by RAMRODZ INC. This guide provides essential safety information to ensure safe and effective use of the tweezers. Please read this guide carefully before using the product.

General Safety Guidelines

- Ensure the tweezers are used only for their intended purpose.
- Keep the tweezers out of reach of children and vulnerable individuals.
- Regularly inspect the tweezers for any signs of damage or wear. Do not use if damaged.
- Store the tweezers in a safe and dry location when not in use.
- Report any unsafe products or accidents to the relevant authorities.

Specific Safety Precautions for Use

- Use the tweezers only on small parts such as springs, detents, and screws.
- Always maintain a firm grip on the tweezers while in use to prevent slippage.
- Avoid using excessive force, as this may damage the tweezers or the components being handled.
- Do not use the tweezers for any tasks that require high pressure or force.
- Ensure that your hands are clean and dry before using the tweezers to prevent slipping.
- Do not attempt to modify or repair the tweezers.

Instructions for Installation and Usage

1. **Inspect the Tweezers:** Before use, check the tweezers for any visible damage or wear. Ensure that the diamond tips are intact and free from debris.
2. **Grip the Tweezers:** Hold the tweezers by the pivoting handle. Ensure your fingers are positioned securely for optimal control.
3. **Open and Close:** Gently pivot the handle to open the tweezers. Use one tip for precision tasks such as micro filing or to apply pressure on springloaded components.
4. **Handling Small Parts:** When picking up small parts, carefully position the tips around the item. Squeeze the handle gently to secure the item without applying excessive force.
5. **Cleaning:** After use, clean the tweezers with a soft cloth to remove any residue. Avoid using abrasive materials that may damage the diamond tips.
6. **Storage:** Store the tweezers in a protective case or designated area to prevent damage. Ensure they are kept away from moisture and extreme temperatures.

Disposal Instructions

- Dispose of the tweezers in accordance with local regulations for metal products.
- If the tweezers are damaged beyond repair, ensure they are disposed of safely to prevent injury.

Contact Information for Further Support

For any safety inquiries or additional support regarding the 3Piece Diamond Tip Pivot Handle Tweezers, please contact your local distributor or refer to the manufacturer's website for further assistance.

Thank you for your attention to these safety guidelines. Your safety is our priority. Enjoy using your 3Piece Diamond Tip Pivot Handle Tweezers responsibly!
