

# MOE QUICK DETACH SLING ATTACHMENT - MAGPUL QD MOE SLING ATTACHMENT

[Shooting Accessories](#) > [Slings & Sling Swivels](#) > [Tactical Sling Mounts](#)

## Adds Quick-Detach Socket To Handguards & Forends

Forward connection point for push-button sling swivels mounts directly to Magpul Original Equipment handguards and forends. Simply remove the handguard, center the MSA over desired accessory hole, and tighten two bolts into the anchor nuts for a rattle-free hold. Requires drilling to slightly enlarge MOE slot so it clears the QD post. Low-profile, anti-snag design maximizes usable grip space, and limited-rotation feature keeps sling strap from twisting. Precision-cast, durable steel is case-hardened and coated with Melonite® for extreme resistance to wear and corrosion.

## Attributes

- Name: [MAGPUL QD MOE SLING ATTACHMENT](#)
- Manufacturer: [MAGPUL](#)
- Product no.: 100015152
- Mfr. No.: MAG528-BLK

# MOE Quick Detach Sling Attachment Safety Instructions

## Introduction

Thank you for choosing the MOE Quick Detach Sling Attachment by Magpul. This guide provides essential safety information and instructions for the proper use and installation of the product. Please read this document carefully to ensure safe and effective use.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always inspect the sling attachment before use for any signs of wear or damage.
- Keep the product out of reach of children and vulnerable individuals.
- Do not modify the product in any way that could compromise its integrity or safety.
- If you notice any unusual sounds or movements during use, discontinue use immediately and inspect the attachment.
- Report any unsafe conditions or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Verify that the sling attachment is securely mounted to the handguard before use.
- Ensure that the QD post is properly seated in the MOE slot to prevent accidental detachment.
- Use caution when drilling to enlarge the MOE slot; avoid damaging surrounding components.
- Do not exceed the weight limit of the sling and attachment system.
- Be aware of your surroundings when using the sling attachment to avoid entanglement or injury.
- Always use the provided installation instructions to ensure proper setup.

## Instructions for Installation and Usage

1. **Remove the Handguard:** Carefully detach the handguard from your firearm as per the manufacturer's instructions.
2. **Position the Sling Attachment:** Center the MOE Sling Attachment (MSA) over the desired accessory hole on the handguard.
3. **Secure the Attachment:**
  - Tighten the two bolts into the anchor nuts provided to ensure a rattlefree hold.
  - Make sure the attachment is firmly secured and does not move.
4. **Drill the MOE Slot:**
  - Use a drill to slightly enlarge the MOE slot so it can accommodate the QD post.
  - Ensure that the drilling is done carefully to avoid damaging the handguard.
5. **Reattach the Handguard:** Once the sling attachment is securely in place, reattach the handguard to your firearm.
6. **Connect the Sling:** Attach your pushbutton sling swivel to the QD post on the sling attachment.

## Disposal Instructions

- Dispose of the product in accordance with local regulations.
- If the product is damaged beyond use, ensure it is safely discarded to prevent any potential hazards.
- Recycle materials where applicable and follow any specific disposal guidelines provided by local waste management authorities.

## **Contact Information for Further Support**

For further assistance, please refer to the manufacturer's website or contact your local retailer. Ensure you have your product information ready for any inquiries.

By following these safety instructions, you can help ensure a safe and effective experience with your MOE Quick Detach Sling Attachment. Thank you for choosing Magpul!
