

AR-15/M16 MOE-SL CARBINE LENGTH HANDGUARD - MAGPUL MOE-SL CARBINE LENGTH HANDGUARD, BLACK

[Rifle Parts](#) > [Build Kits](#) > [Handguards & Rails](#)

Sleek, Lightweight Design Replaces Bulky M4 Type Handguards

Reinforced, heat-resistant polymer hand guard is designed for carbine length gas systems with the triangular A2 front sight assembly. Easy to install handguard is a direct replacement for existing M4 carbine type hand guards and uses the existing delta ring and round front hand guard retaining cap. Slim profile improves weapon manipulation while the large, lower front lip and long side extensions protects the operator's hand from hot sight assembly. Integral riveted aluminum heat shield provides added protection from barrel heat. Versatile handguard features M-LOK slots at the two, six, and ten o'clock positions permits mounting MIL-STD-1913 Picatinny rails or other direct-attach accessories.

Safety Instruction Guide for AR15/M16 MOESL Carbine Length Handguard

Introduction

Thank you for choosing the AR15/M16 MOESL Carbine Length Handguard by Magpul. This guide provides important safety instructions and installation details to ensure the safe and effective use of your new handguard. Please read this guide thoroughly before installation and use.

General Safety Guidelines

To ensure your safety and the proper functioning of the product, please adhere to the following guidelines:

- Always handle firearms with care and respect.
- Ensure that the firearm is unloaded before installing or adjusting any components.
- Follow all local laws and regulations regarding firearm modifications and accessories.
- Inspect the handguard for any damage or defects before installation.
- Use only compatible components as specified in this guide.

Specific Safety Precautions for Use

When using the AR15/M16 MOESL Carbine Length Handguard, please consider the following safety precautions:

- **Heat Awareness:** The handguard may become hot during use. Always allow it to cool before handling.
- **Proper Installation:** Ensure the handguard is securely installed to prevent movement during use.
- **Compatibility:** This handguard must be used with a triangular A2 front sight assembly and is not compatible with other gas blocks.
- **Child Safety:** Keep firearms and accessories out of reach of children and unauthorized users.
- **Regular Maintenance:** Regularly inspect the handguard for wear and tear, and replace if necessary.

Instructions for Installation and Usage

Follow these steps for the proper installation and use of your handguard:

1. Preparation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather necessary tools, including a wrench for the delta ring if required.

2. Removal of Existing Handguard:

- Remove the existing handguard by compressing the delta ring and pulling the handguard outwards.
- Carefully detach the round front handguard retaining cap if necessary.

3. Installation of the MOESL Handguard:

- Align the new handguard with the delta ring and the triangular A2 front sight assembly.
- Push the handguard into place until it clicks securely.
- Ensure that the handguard is firmly seated and does not move.

4. Attachment of Accessories:

- Utilize the MLOK slots to attach MILSTD1913 Picatinny rails or other accessories as needed.

- Follow the specific instructions for those accessories to ensure secure attachment.

5. Final Inspection:

- After installation, doublecheck that the handguard is securely attached and that all accessories are properly mounted.
- Test the firearm in a safe environment to ensure functionality.

Disposal Instructions

When disposing of the handguard, please follow these guidelines:

- Dispose of the product in accordance with local regulations regarding plastic and polymer materials.
- Do not burn the handguard, as it may release harmful substances when incinerated.
- Consider recycling options for the polymer material if available in your area.

Contact Information for Further Support

For any questions or concerns regarding the AR15/M16 MOESL Carbine Length Handguard, please consult the manufacturer's website or contact their customer support for assistance.

Thank you for your attention to these safety instructions. Your safety and satisfaction are our top priorities. Enjoy your new handguard responsibly!
