

AR-15 MOE-SL STOCK COLLAPSIBLE MIL-SPEC - MAGPUL MOE SL COLLAPSIBLE MIL-SPEC CARBINE STOCK FOR AR-15 BLACK

[Rifle Parts](#) > [Stock Parts](#) > [Buttstocks](#)

Optimized For Use With Body Armor & Modular Gear

Direct replacement buttstock for AR-15/M16 carbines is designed to withstand the rigors of the modern battlefield. Slim stock features a sloping cheek weld for a firm fit and improved user comfort. The dual side latch release provides easy adjustments and is set up out of the way to remain snag free. Premium chrome-silicon locking spring ensures a positive long on the receiver extension tube and long service life for the stock. Internal anti-rattle feature provides a snug fit to minimize wobble on the receiver extension tube. Rolled toe and angular butt plate allows for easier shoulder transitions and better fit when using body armor. Non-slip rubber butt-pad helps keep the carbine on your shoulder and increases recoil absorption. Two sling mounts allow you to utilize different mounting options.

Safety Instruction Guide for AR15 MOESL Stock

Introduction

Thank you for purchasing the AR15 MOESL Collapsible MilSpec Stock by Magpul. This guide provides important safety instructions and guidelines to ensure the safe use and maintenance of your product. Please read this manual thoroughly before installation and use.

General Safety Guidelines

- Ensure that the stock is compatible with your AR15/M16 carbine before installation.
- Always handle firearms with care and follow all safety protocols.
- Keep the stock and the firearm out of reach of children and unauthorized users.
- Regularly inspect the stock for any signs of wear or damage before each use.
- Be aware of your surroundings and ensure a safe environment when handling firearms.

Specific Safety Precautions for Use

- **Proper Fit:** Ensure that the stock is securely attached to the receiver extension tube to avoid any accidental detachments during use.
- **Recoil Management:** Utilize the nonslip rubber buttpad to maintain control of the firearm during recoil.
- **Body Armor Compatibility:** When using body armor, ensure that the rolled toe and angular butt plate are positioned correctly for optimal comfort and fit.
- **Sling Mounts:** Use the two sling mounts to secure your firearm and prevent it from slipping or falling.
- **Adjustment Mechanism:** Familiarize yourself with the dual side latch release for easy adjustments. Ensure it is locked in place before use.

Instructions for Installation and Usage

1. Installation:

- Ensure that the firearm is unloaded and pointed in a safe direction.
- Remove the existing stock from the receiver extension tube.
- Align the AR15 MOESL stock with the receiver extension tube.
- Slide the stock onto the tube until it is securely in place.
- Use the dual side latch release to adjust the stock to your desired length of pull (LOP).
- Confirm that the stock is securely locked in place before use.

2. Usage:

- When shouldering the firearm, ensure that the nonslip rubber buttpad is positioned against your shoulder for stability.
- Adjust the stock as needed for comfort and proper fit.
- Regularly check the stock for any signs of looseness or wear during use.

Disposal Instructions

- Dispose of the AR15 MOESL stock in accordance with local regulations regarding plastic waste.
- If the stock is damaged beyond use, consider recycling options available in your area.

Contact Information for Further Support

For any safety inquiries or additional support, please refer to the manufacturer's contact details provided on the

product packaging or the official website.

Conclusion

Your safety is paramount when using the AR15 MOESL Collapsible MilSpec Stock. By following these guidelines and instructions, you can ensure a safe and effective experience with your firearm. Always stay informed about product recalls and safety updates through official channels. Thank you for choosing Magpul.
