

# AR-15 MOE-SL STOCK COLLAPSIBLE MIL-SPEC - MAGPUL MOE SL COLLAPSIBLE MIL-SPEC CARBINE STOCK FOR AR-15 FDE

[Rifle Parts](#) > [Stock Parts](#) > [Buttstocks](#)

## Optimized For Use With Body Armor & Modular Gear

Direct replacement buttstock for AR-15/M16 carbines is designed to withstand the rigors of the modern battlefield. Slim stock features a sloping cheek weld for a firm fit and improved user comfort. The dual side latch release provides easy adjustments and is set up out of the way to remain snag free. Premium chrome-silicon locking spring ensures a positive long on the receiver extension tube and long service life for the stock. Internal anti-rattle feature provides a snug fit to minimize wobble on the receiver extension tube. Rolled toe and angular butt plate allows for easier shoulder transitions and better fit when using body armor. Non-slip rubber butt-pad helps keep the carbine on your shoulder and increases recoil absorption. Two sling mounts allow you to utilize different mounting options.

# Safety Instruction Guide for AR15 MOESL Stock Collapsible

## Introduction

Thank you for choosing the AR15 MOESL Stock Collapsible by MAGPUL. This guide provides essential safety information to ensure the safe and effective use of your product. Please read this guide thoroughly before installation and use.

## General Safety Guidelines

- Ensure the product is used only for its intended purpose as a buttstock for AR15/M16 carbines.
- Always handle firearms responsibly and in accordance with local laws and regulations.
- Regularly inspect the stock for wear, damage, or any signs of malfunction.
- Keep the stock and firearm out of reach of children and unauthorized users.
- Report any unsafe products or accidents to the relevant authorities.

## Specific Safety Precautions for Use

- Before using the stock, ensure it is properly installed on the carbine.
- Do not exceed the manufacturer's recommended weight limits for the firearm.
- Avoid using the stock in extreme weather conditions that may affect performance.
- Ensure the stock is securely locked in place before firing.
- Use appropriate body armor when necessary, and ensure the stock fits comfortably with your gear.

## Instructions for Installation and Usage

### Installation

#### 1. Preparation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather the necessary tools for installation (if required).

#### 2. Removing the Old Stock:

- Locate the stock release latch on the existing stock.
- Depress the latch and slide the old stock off the receiver extension tube.

#### 3. Installing the New Stock:

- Align the AR15 MOESL Stock with the receiver extension tube.
- Slide the stock onto the tube until it clicks into place.
- Ensure the dual side latch is securely engaged.

#### 4. Adjusting Length of Pull (LOP):

- To adjust the LOP, press the side latch and slide the stock to the desired position.
- Release the latch to lock the stock in place.

### Usage

- **Cheek Weld:**

- Utilize the sloping cheek weld for improved comfort and stability during use.
- **Sling Mounts:**
  - Use the two sling mounts to attach slings for carrying the firearm safely.
- **Recoil Management:**
  - Ensure the nonslip rubber buttpad is in contact with your shoulder for better recoil absorption.

## **Disposal Instructions**

- Dispose of the product responsibly in accordance with local regulations.
- Do not dispose of the stock in regular household waste.
- If the product is damaged or no longer usable, consider recycling options where available.

## **Contact Information for Further Support**

For any inquiries regarding safety or product support, please refer to the manufacturer's website or customer service resources.

Thank you for prioritizing safety with the AR15 MOESL Stock Collapsible. Your responsible usage ensures a safer experience for everyone.
