

AR-15 MOE-SL STOCK COLLAPSIBLE MIL-SPEC - MAGPUL MOE SL COLLAPSIBLE MIL-SPEC CARBINE STOCK FOR AR-15 GRAY

[Rifle Parts](#) > [Stock Parts](#) > [Buttstocks](#)

Optimized For Use With Body Armor & Modular Gear

Direct replacement buttstock for AR-15/M16 carbines is designed to withstand the rigors of the modern battlefield. Slim stock features a sloping cheek weld for a firm fit and improved user comfort. The dual side latch release provides easy adjustments and is set up out of the way to remain snag free. Premium chrome-silicon locking spring ensures a positive long on the receiver extension tube and long service life for the stock. Internal anti-rattle feature provides a snug fit to minimize wobble on the receiver extension tube. Rolled toe and angular butt plate allows for easier shoulder transitions and better fit when using body armor. Non-slip rubber butt-pad helps keep the carbine on your shoulder and increases recoil absorption. Two sling mounts allow you to utilize different mounting options.

Safety Instruction Guide for AR15 MOESL Stock

Introduction

Thank you for choosing the AR15 MOESL Stock. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your product. Please read this document carefully before installation and use.

General Safety Guidelines

- Always handle the firearm and its components with care and respect.
- Ensure that the firearm is unloaded before attaching or detaching the stock.
- Regularly inspect the stock for any signs of wear or damage.
- Store the firearm securely and out of reach of children or unauthorized individuals.
- Follow all local laws and regulations regarding firearm ownership and use.
- Report any unsafe products or accidents to the relevant authorities.

Specific Safety Precautions for Use

- Do not use the stock if it appears damaged or if any components are missing.
- Ensure that the stock is properly secured to the receiver extension tube before use.
- Avoid using the stock in extreme temperatures or harsh environments that may affect its integrity.
- Be aware of your surroundings and ensure that you have a clear shooting lane when using the firearm.
- Use the stock only with compatible milspec carbine buffer tubes (1.14" O.D.).

Instructions for Installation and Usage

Installation

1. Preparation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather necessary tools (if any) for installation.

2. Removing the Old Stock:

- Locate the release latch on the existing stock.
- Release the latch and slide the old stock off the receiver extension tube.

3. Installing the New Stock:

- Align the AR15 MOESL Stock with the receiver extension tube.
- Slide the stock onto the tube until it clicks into place.
- Ensure the stock is securely attached and does not wobble.

4. Adjusting the Length of Pull (LOP):

- To adjust the LOP, locate the adjustment lever on the side of the stock.
- Press the lever and slide the stock to the desired position.
- Release the lever to lock the stock in place.

Usage

- When shouldering the firearm, ensure a firm grip on the stock for stability.
- Utilize the nonslip rubber buttpad to maintain control during recoil.

- Adjust the cheek weld for comfort and optimal sight alignment.
- Use the sling mounts to attach a sling for easier carrying.

Disposal Instructions

- Dispose of the stock responsibly and in accordance with local regulations.
- If the stock is damaged beyond repair, consider recycling materials where possible.
- Do not dispose of the stock in regular household waste if it contains hazardous materials.

Contact Information for Further Support

For any inquiries or concerns regarding safety or product usage, please refer to the manufacturer's website or customer service resources. Ensure you have your product details ready for efficient assistance.

Thank you for prioritizing safety while using the AR15 MOESL Stock. Your adherence to these guidelines helps ensure a safe and enjoyable experience.
