

# AR-15 MOE-SL STOCK COLLAPSIBLE COMMERCIAL - MAGPUL AR-15 MOE-SL STOCK COLLAPSIBLE COMMERCIAL BLK

[Rifle Parts](#) > [Stock Parts](#) > [Buttstocks](#)

Direct replacement buttstock for AR-15/M16 carbines is designed to withstand the rigors of the modern battlefield. Slim stock features a sloping cheek weld for a firm fit and improved user comfort. The dual side latch release provides easy adjustments and is set up out of the way to remain snag free. Premium chrome-silicon locking spring ensures a positive lock on the receiver extension tube and long service life for the stock. Internal anti-rattle feature provides a snug fit to minimize wobble on the receiver extension tube. Rolled toe and angular butt plate allows for easier shoulder transitions and better fit when using body armor. Non-slip rubber butt-pad helps keep the carbine on your shoulder and increases recoil absorption. Two sling mounts allow you to utilize different mounting options.

# Safety Instruction Guide for AR15 MOESL Stock Collapsible Commercial

## Introduction

Thank you for choosing the AR15 MOESL Stock Collapsible Commercial by Magpul. This guide provides essential safety instructions to ensure the safe use and maintenance of your product. Please read this guide carefully and keep it for future reference.

## General Safety Guidelines

- Always handle firearms and firearm accessories with care and in accordance with local laws and regulations.
- Ensure that the stock is properly installed before using the firearm.
- Regularly inspect the stock for any signs of wear or damage. Do not use if damaged.
- Keep the product out of reach of children and unauthorized users.
- Follow all manufacturer instructions for use, installation, and maintenance.
- Report any unsafe products or accidents to the relevant authorities.

## Specific Safety Precautions for Use

- Ensure that the stock is compatible with your firearm model (AR15/M16).
- Always use the stock in a safe environment, free from hazards that could lead to accidents.
- When adjusting the stock, ensure that your hands are clear of any moving parts to avoid injury.
- Use the dual side latch release carefully to avoid pinching fingers.
- When using body armor, ensure that the stock allows for a proper fit and does not hinder your movement.
- Do not exceed the recommended load capacity of the stock.
- Always wear appropriate eye and ear protection when using firearms.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing stock from the receiver extension tube.
- Align the AR15 MOESL Stock with the receiver extension tube and slide it onto the tube.
- Engage the dual side latch release to secure the stock in place.
- Adjust the length of pull (LOP) to your preference within the adjustment range of 3.3 inches (8.4 cm).

### 2. Usage:

- Ensure the stock is properly adjusted for a comfortable fit while shouldering the firearm.
- Utilize the nonslip rubber buttpad to maintain stability during use.
- Use the sling mounts to attach your preferred sling configuration for ease of carrying.
- Regularly check the stock for tightness and fit to minimize wobble.

## Disposal Instructions

- Dispose of the product in accordance with local regulations for plastic and polymer materials.
- Do not dispose of in regular household waste.
- Consider recycling options where available.

## Contact Information for Further Support

For any questions or concerns regarding the AR15 MOESL Stock, please refer to the manufacturer's website or contact the retailer from whom you purchased the product. Ensure you have your purchase information available for reference.

This safety instruction guide complies with the EU General Product Safety Regulation (GPSR) and aims to provide you with all the necessary information to ensure safe and effective use of your AR15 MOESL Stock. Always prioritize safety and responsible usage.
