

AUG PMAG 30 GEN M3 WINDOW - MAGPUL PMAG AUS G-M3 W/WINDOW 5.56/.223 30RD FOR STEYR AUG BLACK

[Magazines](#) > [Rifle Magazines](#) > [Magazines](#)

The PMAG 30 AUS GEN M3 Window is a 30-round 5.56x45 NATO polymer magazine for Steyr® AUG/F88/F90 compatible weapons that features transparent windows to allow rapid visual identification of approximate number of rounds remaining. Similar to the GEN M3 PMAG for the AR15/M4, the PMAG 30 AUS features a long-life USGI-spec stainless steel spring, four-way anti-tilt follower and constant-curve internal geometry for reliable feeding, and simple tool-less disassembly to ease cleaning. In addition, low profile ribs and aggressive front and rear texture gives positive control in all environments, and a paint pen dot matrix has been added to the bottom panel of the body to allow easy marking by the end user for identification. The easy to disassemble GEN M3 flared floorplate aids in extraction and handling, and is slimmer than factory Steyr floorplates for better fit in magazine pouches. Durable, dual-side transparent windows allow for quick determination of approximate number of rounds remaining in the magazine. Utilizing a high visibility indicator coil on the spring and numerical markers on the magazine body, the MagLevel™ system provides positive verification with the added benefit over translucent magazines of displaying round-count even when the cartridge stack is obscured within the magwell. Not compatible with AUG NATO Not compatible with MagLink Coupler or GEN M3 Round Limiters

Safety Instruction Guide for AUG PMAG 30 GEN M3 Window

Introduction

Thank you for choosing the AUG PMAG 30 GEN M3 Window. This guide provides important safety instructions to ensure the safe use and handling of your magazine. Please read through this document carefully to understand how to use the product safely and effectively.

General Safety Guidelines

- Ensure that you are familiar with the operation of your firearm before using this magazine.
- Always treat every firearm as if it is loaded.
- Store the magazine in a secure location, out of reach of children and unauthorized users.
- Regularly inspect the magazine for any signs of damage or wear.
- Do not use the magazine with incompatible firearms.
- Report any unsafe products or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Hazard Identification:** Improper use of the magazine may lead to malfunction or injury. Ensure that the magazine is compatible with your firearm model.
- **Avoiding Hazards:**
 - Do not attempt to modify the magazine.
 - Use only authorized ammunition types specified for your firearm.
 - Avoid exposure to extreme temperatures and moisture.
 - Keep the magazine clean and free from obstructions.
- **Age Restrictions:** This product is intended for use by individuals 18 years and older. Keep the magazine away from children.

Instructions for Installation and Usage

- **Installation:**
 1. Ensure your firearm is unloaded.
 2. Align the magazine with the magazine well of your firearm.
 3. Push the magazine firmly into place until it clicks.
- **Usage:**
 - Load the magazine with the appropriate ammunition.
 - Ensure the magazine is seated properly in the firearm before attempting to fire.
 - Monitor the transparent windows to keep track of the number of rounds remaining.
 - For disassembly, follow the toolless disassembly instructions to clean and maintain the magazine.
- **Handling:**
 - Always handle the magazine with care.
 - When removing the magazine, press the magazine release button and pull the magazine out smoothly.

Disposal Instructions

- Dispose of the magazine in accordance with local regulations.
- If the magazine is damaged beyond repair, ensure it is disposed of in a manner that prevents unauthorized use.
- Do not incinerate or expose the magazine to fire.

Contact Information for Further Support

For any questions or concerns regarding the AUG PMAG 30 GEN M3 Window, please reach out to your local retailer or manufacturer support. Ensure that you have your product information ready for assistance.

Thank you for your attention to these safety guidelines. Your safety and the safety of others depend on responsible handling and use of your AUG PMAG 30 GEN M3 Window.
