

AR-15/M16 ENHANCED PIN SETS - BATTLE ARMS DEVELOPMENT INC. AR-15/M16 ENHANCED PIN SET, TITANIUM

[Rifle Parts](#) > [Receiver Parts](#) > [Takedown Parts](#) > [Pins](#)

Pins Help Make AR-15 Assembly & Disassembly Easy

Hardened steel pins fit standard AR-15 lowers to make rifle take down easy and fast. These pins are .030" longer than standard, giving purchase when pushing them from the left side of the receiver. Feature textured heads for easy handling and bullet tip guides that help center a bullet or other takedown tool. Tapered cuts make pins easy to push. Titanium is 50% lighter than steel, perfect for a lightweight rifle build or just to add a little contrast to your black rifle.

AR15/M16 Enhanced Pin Sets Safety Instructions

Introduction

Thank you for choosing the AR15/M16 Enhanced Pin Sets from Battle Arms Development Inc. This product is designed to enhance the functionality of your AR15 or M16 rifle. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- Always ensure that the firearm is unloaded before attempting to install or remove the enhanced pin sets.
- Keep the product out of reach of children and unauthorized users.
- Inspect the pins for any signs of damage or wear before each use.
- Follow all local laws and regulations regarding firearm modifications and usage.
- Report any unsafe product experiences or accidents to the relevant authorities.

Specific Safety Precautions for Use

- Ensure you are familiar with the operation of your AR15 or M16 rifle prior to installation.
- Only use the enhanced pin sets with compatible AR15/M16 receivers.
- Do not exceed the recommended specifications for installation, as improper use may lead to malfunction or damage.
- Avoid using excessive force when pushing the pins to prevent damage to the receiver or the pins themselves.
- Be cautious of sharp edges on the pins; handle them with care to avoid injury.

Instructions for Installation and Usage

1. Preparation:

- Ensure that the rifle is pointed in a safe direction and is unloaded.
- Gather necessary tools for installation, including a punch tool if needed.

2. Installation:

- Remove the existing factory pins from the AR15/M16 receiver.
- Align the enhanced pin with the corresponding hole in the receiver.
- Gently push the pin into place using your fingers or a punch tool if necessary.
- Ensure the pin is fully seated and secure.

3. Usage:

- To remove the pins, push them from the opposite side of the receiver using a punch tool or similar device.
- Always check that the pins are secure before firing the rifle.

4. PostInstallation Check:

- After installation, conduct a function check of the rifle to ensure proper operation.
- Verify that the pins are functioning correctly and that there are no obstructions.

Disposal Instructions

- Dispose of any damaged or worn pins in accordance with local waste disposal regulations.

- Do not attempt to recycle or reuse damaged pins, as they may pose safety hazards.

Contact Information for Further Support

For any questions or concerns regarding the AR15/M16 Enhanced Pin Sets, please refer to the customer support section on our website for further assistance.

Remember to always prioritize safety when handling firearms and their components. Thank you for your attention to these safety guidelines.
