

# AR .308 QDC MAMS MUZZLE BRAKE KIT 30 CALIBER - KNIGHTS ARMAMENT QDC MAMS MUZZLE BRAKE KIT 30 CALIBER 5/8-24 SS BLACK

[Rifle Parts](#) > [Muzzle Devices](#) > [Compensators & Muzzle Brakes](#)

Knight's Armament QDC (Quick Disconnect Coupler) MAMS (Multi-Axis Muzzle Stability) Muzzle Brakes act as a quick detach mounting platform for a companion KAC QDC sound suppressor. Standing alone, the brake kits make excellent muzzle brakes, reducing felt recoil and diffusing blast. Machined from steel, these muzzle brakes feature a matte black finish. Each muzzle brake kit includes a 7-piece shim kit and Rocksett adhesive for installation. Available in 5/8-24 threads.

## Attributes

- Name: [KNIGHTS ARMAMENT QDC MAMS MUZZLE BRAKE KIT 30 CALIBER 5/8-24 SS BLACK](#)

# Safety Instruction Guide for AR .308 QDC MAMS Muzzle Brake Kit

## Introduction

Thank you for choosing the AR .308 QDC MAMS Muzzle Brake Kit. This product is designed to enhance your shooting experience by reducing felt recoil and diffusing blast. Please read this safety instruction guide carefully to ensure safe and effective use of the muzzle brake kit.

## General Safety Guidelines

- Always treat every firearm as if it is loaded.
- Ensure the muzzle brake kit is installed correctly before use.
- Use the muzzle brake kit only with compatible firearms.
- Keep the muzzle brake kit out of reach of children and unauthorized users.
- Regularly inspect the muzzle brake for any signs of wear or damage.
- Report any unsafe products or accidents to the relevant authorities.
- Stay informed about recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- **Hazard Identification:**

- Improper installation may lead to malfunction or injury.
- Use of incompatible firearms may cause excessive recoil or blast.

- **Instructions for Avoiding Hazards:**

- Always follow the installation instructions provided in this guide.
- Verify that your firearm's threads are compatible (5/824).
- Avoid using the muzzle brake in conditions that may cause it to overheat.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that the firearm is unloaded.
- Clean the muzzle threads of the firearm to remove any debris.
- Apply Rocksett adhesive to the threads of the muzzle brake.
- Carefully screw the muzzle brake onto the firearm's muzzle threads (5/824).
- Use the included shim kit to adjust the fit if necessary.
- Allow the adhesive to cure as per the manufacturer's instructions before firing.

### 2. Usage:

- Always wear appropriate eye and ear protection when using the firearm with the muzzle brake installed.
- Fire the firearm in a safe and controlled environment.
- Monitor the performance of the muzzle brake during use. If you notice any unusual behavior, stop using the firearm immediately and inspect the muzzle brake.

## **Disposal Instructions**

- Dispose of the muzzle brake kit in accordance with local regulations.
- Do not dispose of the product in regular household waste. Instead, take it to a designated recycling or hazardous waste facility.

## **Contact Information for Further Support**

For any safety inquiries or support related to the AR .308 QDC MAMS Muzzle Brake Kit, please refer to the manufacturer's official contact points as outlined in the product packaging or documentation.

By following these guidelines, you can ensure a safe and enjoyable experience with your AR .308 QDC MAMS Muzzle Brake Kit. Thank you for your attention to safety.
