

AR-15 FLIP-UP M4 FRONT SIGHT - KNIGHTS ARMAMENT 1.65" FLIP-UP M4 FRONT SIGHT STEEL BLACK

[Rifle Parts](#) > [Sights](#) > [Front Sights](#)

KAC's line of Micro Iron Sights are currently in use by the United States Army, Marine Corps and numerous law enforcement agencies worldwide. This is because they are built to exacting tolerances, maintain their zero under adverse conditions and, when folded, have one of the lowest profile top-rail footprints in the industry. Originally designed for the US military's SOPMOD rifle enhancement program, the KAC M4 Folding Front Sight is a low profile backup sighting solution that is designed to be attached to the top rail of a rifle's handguard. When stowed in the folded position, the M4's sight base extends back to envelope the front sight leaf on the right and left side, helping to protect it from damage.

Attributes

- Name: [KNIGHTS ARMAMENT 1.65" FLIP-UP M4 FRONT SIGHT STEEL BLACK](#)
- Manufacturer: [KNIGHTS ARMAMENT](#)
- Product no.: 100015210

Safety Instruction Guide for AR15 FlipUp M4 Front Sight

Introduction

Thank you for choosing the AR15 FlipUp M4 Front Sight by Knights Armament. This product is designed for safe and effective use in enhancing your rifle's sighting capabilities. Please read this safety instruction guide carefully to ensure your safety and the proper use of the product.

General Safety Guidelines

- Always handle the front sight with care to avoid injury.
- Ensure that the front sight is installed correctly to prevent malfunction.
- Regularly inspect the front sight for damage or wear.
- Store the front sight in a safe, dry place when not in use.
- Follow all local laws and regulations regarding firearm accessories.

Specific Safety Precautions for Use

- Do not use the front sight if it is damaged or shows signs of wear.
- Ensure that the rifle is unloaded before installing or adjusting the front sight.
- Avoid placing your fingers near the sighting mechanism when adjusting.
- Be aware of your surroundings and ensure that you have a clear line of sight when aiming.
- Keep the front sight out of reach of children and unauthorized users.

Instructions for Installation and Usage

Installation

1. **Prepare Your Rifle:** Ensure that your rifle is unloaded and pointed in a safe direction.
2. **Locate the Top Rail:** Identify the Picatinny rail on your rifle's handguard.
3. **Align the Front Sight:** Position the M4 front sight on the rail, ensuring it is aligned with your desired sighting position.
4. **Secure the Sight:** Tighten the mounting screws to secure the front sight in place. Ensure it is firmly attached without overtightening.
5. **Check Stability:** After installation, gently shake the sight to ensure it is stable and secure.

Usage

1. **Adjusting the Sight:**
 - Elevation adjustments can be made as needed for accuracy.
 - Windage adjustments are not available; consider using additional sighting tools if necessary.
2. **Folding the Sight:**
 - To fold the sight, press the release mechanism and gently push the sight down until it locks into place.
 - Ensure that the sight is fully secured in the folded position to avoid accidental deployment.
3. **Unfolding the Sight:**
 - To deploy the sight, pull it upwards until it locks into the upright position.
 - Confirm that the sight is locked in place before aiming.

Disposal Instructions

- Dispose of the front sight in accordance with local regulations.
- If the sight is damaged beyond repair, consider recycling metal components if applicable.
- Do not dispose of the sight in regular household waste.

Contact Information for Further Support

For any inquiries or safety concerns regarding this product, please refer to the contact details provided on the packaging or the manufacturer's website. It is important to have a point of contact for any safety-related questions.

Please remember that safety is paramount when handling firearms and their accessories. Always follow these guidelines to ensure a safe and enjoyable experience with your AR15 FlipUp M4 Front Sight.
