# Safety Instruction Guide for the AR15/M16 Low Profile MK12 Gas Block

## Introduction

Thank you for choosing the AR15/M16 Low Profile MK12 Gas Block by Knights Armament. This guide provides essential safety instructions, installation guidelines, and proper usage information to ensure the safe operation of your gas block. Please read this document carefully before use.

## General Safety Guidelines

- Ensure that all firearm components are compatible before installation.
- Always handle firearms with care and in accordance with local laws and regulations.
- Keep the gas block and all firearm components out of reach of children and unauthorized users.
- Regularly inspect the gas block for signs of wear or damage before use.
- Report any unsafe products or incidents to the appropriate authorities.
- Stay informed about recall updates through the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Use the gas block only with AR15/M16 barrels that have a .750 diameter at the gas shoulder.
- Ensure that the gas block is securely installed using the provided set screws to prevent any movement during operation.
- Avoid overtightening the set screws, as this may damage the gas block or barrel.
- Do not modify the gas block or any associated components, as this may lead to unsafe operation.
- Always wear appropriate eye protection when using firearms.
- Be aware of your surroundings and ensure a safe shooting environment.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing gas block if applicable.
- Clean the area of the barrel where the gas block will be installed to ensure a secure fit.
- Slide the gas block onto the barrel, aligning it with the gas port.
- Secure the gas block using the provided set screws. Tighten the screws evenly to ensure stability.
- Doublecheck that the gas block is properly aligned and secure before proceeding.

### 2. Usage:

- After installation, conduct a function check to ensure the gas block operates correctly.
- Always refer to your firearm's manual for specific operational guidelines.
- Monitor the gas block during use for any signs of malfunction or wear.

## Disposal Instructions

- Dispose of the gas block in accordance with local regulations and environmental guidelines.
- Do not dispose of the gas block in regular household waste if it is damaged or no longer functional.
- Consult local recycling centers for proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the AR15/M16 Low Profile MK12 Gas Block, please reach out to the manufacturer or authorized dealers for assistance. Always ensure that you have the latest information regarding product safety and compliance.
