## Unique Texturing Patterns For Excellent Hold & Weapon Control

Rugged grip panels made from tough G10 fiberglass offer the durability and superior gripping texture of modern composite materials. Advanced G10 laminate won't absorb moisture, resists impact, and won't expand or contract due to temperature fluctuation—perfect for all-weather operations and extreme conditions. Texturing is CNC machined into the laminate, then hand-finished to ensure uniform pattern depth. The hard surface allows the texturing to be cut a little sharper to give more “bite” than traditional checkered wood grips. Operator II - Offers the same basic design and G10 fiberglass construction as VZ's original Operator grips with the substitution of golfball pattern texturing on the leading edge next to the front strap, plus a thumb recess for the mag release. Excellent choice for the action competition shooter or tactical operator.

## Attributes

- Name: [VZ GRIPS OPERATOR II PREDATOR GREEN G10](#)
- Manufacturer: [VZ GRIPS](#)
- Product no.: 100015239
- Mfr. No.: O2-PG-A

# Safety Instruction Guide for 1911 OPERATOR II G10 GRIPS

## Introduction

Thank you for choosing the 1911 OPERATOR II G10 GRIPS by VZ GRIPS. These rugged grip panels are designed for durability and superior grip texture, making them suitable for various conditions. This guide provides essential safety information to ensure the safe use and installation of your new grips in compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Ensure that the grips are compatible with your firearm model (1911 Government or Commander).
- Always follow local laws and regulations regarding firearm modifications and safety.
- Inspect the grips regularly for any signs of wear or damage.
- Keep the grips clean and free from moisture to maintain their performance.
- Store the grips in a safe place, out of reach of children and unauthorized users.
- In case of any malfunction or safety concerns, discontinue use immediately and consult a professional.

## Specific Safety Precautions for Use

- **Potential Hazards:** Improper installation of grips may lead to firearm malfunctions or personal injury.
- **Avoid Moisture:** Although G10 material is moisture-resistant, prolonged exposure to water may affect grip performance.
- **Temperature Fluctuations:** While G10 is designed to resist expansion and contraction, avoid exposing your firearm to extreme temperatures for extended periods.
- **Proper Handling:** Always handle your firearm safely, following the basic rules of firearm safety.
- **Children and Vulnerable Groups:** This product is not intended for use by children. Ensure that it is stored securely.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure your firearm is unloaded and pointed in a safe direction.
- Remove the existing grips from your firearm using the appropriate tools.
- Align the new G10 grips with the grip frame, ensuring that any cutouts for controls are correctly positioned.
- Secure the grips using the screws provided, tightening them firmly but not excessively to avoid damage.

### 2. Usage:

- Familiarize yourself with the feel and grip of your firearm after installation.
- Practice safe handling and operation of your firearm at all times.
- If you notice any discomfort or difficulty in handling, reassess your grip or consult a professional.

## Disposal Instructions

- Dispose of any old grips or packaging materials in accordance with local waste disposal regulations.
- Do not incinerate plastic materials, as they may release harmful substances.

## **Contact Information for Further Support**

For any questions or concerns regarding the safety and use of your 1911 OPERATOR II G10 GRIPS, please consult the manufacturer's website or customer service for assistance.

Thank you for prioritizing safety and responsible firearm ownership. Enjoy your new grips!
