# SGA® Ambidextrous Buttstock Safety Instruction Guide

## Introduction

Thank you for choosing the SGA® Ambidextrous Buttstock for Remington® 870. This product is designed to enhance the functionality and comfort of your shotgun. To ensure your safety and the effective use of this product, please read this safety instruction guide carefully.

## General Safety Guidelines

- Always handle firearms responsibly and in accordance with local laws and regulations.
- Ensure that the shotgun is unloaded before installing or adjusting the buttstock.
- Use the buttstock only with compatible firearms, specifically the Remington 870 12gauge shotgun.
- Regularly inspect the buttstock for wear or damage before each use.
- Store the firearm and buttstock in a secure location, out of reach of children and unauthorized users.
- In case of any malfunction or if you suspect the buttstock is compromised, cease use immediately and consult a qualified professional.

## Specific Safety Precautions for Use

- Ensure that all mounting hardware is securely fastened before using the shotgun.
- Avoid using the shotgun in conditions that may expose it to extreme temperatures or moisture, which can affect the integrity of the buttstock.
- Be aware of your surroundings and ensure a clear line of sight when using the shotgun.
- Use proper eye and ear protection when firing the shotgun.
- If using optics or raised sights, ensure that cheek risers are correctly installed and adjusted to avoid improper alignment.

## Instructions for Installation and Usage

### 1. Installation of the Buttstock:

- Ensure that the shotgun is unloaded and pointed in a safe direction.
- Remove the existing buttstock from the shotgun by loosening the mounting screws.
- Align the SGA buttstock with the shotgun's receiver.
- Secure the buttstock by tightening the mounting screws, ensuring it is firmly attached.

### 2. Adjusting Length of Pull:

- The SGA buttstock features a spacer system for length of pull adjustment.
- To adjust, remove the buttstock from the shotgun and add or remove spacers as needed.
- Each spacer changes the length of pull by 1/2 inch, allowing customization from 12.5 inches to 14.5 inches.

### 3. Using Cheek Risers:

- If using optics or raised sights, attach the optional cheek risers according to the included instructions.
- Ensure that the risers are securely fastened and properly aligned for optimal use.

### 4. Maintaining the Buttstock:

- Clean the buttstock regularly with a soft, damp cloth.
- Avoid using harsh chemicals that may damage the polymer material.
- Inspect the buttstock periodically for signs of wear or damage.

## **Disposal Instructions**

- Dispose of the buttstock and any associated materials in accordance with local regulations.
- Do not dispose of the buttstock in regular household waste if it is damaged or no longer functional; check for local recycling programs that accept plastic materials.

## **Contact Information for Further Support**

For any safety inquiries or support related to the SGA® Ambidextrous Buttstock, please refer to the official manufacturer's website or contact their customer support service directly.

By following these guidelines and instructions, you can ensure the safe and effective use of your SGA® Ambidextrous Buttstock for Remington® 870. Thank you for your attention to safety.
