# Safety Instruction Guide for SGA® Ambidextrous Buttstock for Mossberg® 500/590

## Introduction

Thank you for choosing the SGA® Ambidextrous Buttstock designed for the Mossberg® 500/590 series. This guide provides essential safety instructions to ensure the safe and effective use of your new buttstock. Please read this manual thoroughly before installation and use.

## General Safety Guidelines

- Always ensure that the shotgun is unloaded before installing or adjusting the buttstock.
- Handle the shotgun with care and always treat it as if it is loaded.
- Keep the buttstock and shotgun out of reach of children and unauthorized users.
- Inspect the buttstock regularly for any signs of wear or damage.
- Do not modify the buttstock or shotgun in any way that may impair safety.
- Familiarize yourself with local laws and regulations regarding firearm modifications and usage.

## Specific Safety Precautions for Use

- Ensure the buttstock is securely attached before using the shotgun.
- Adjust the length of pull to fit your body size and shooting style. An improper fit can lead to poor handling and increased risk of accidents.
- Use the buttpad as designed to help reduce recoil and improve comfort during shooting.
- When using with optics or raised sights, ensure that cheek risers are properly installed to maintain a proper sight picture.
- Do not exceed the recommended weight limit when adding accessories to the buttstock.
- Always wear appropriate eye and ear protection when shooting.

## Instructions for Installation and Usage

### Installation

1. **Unloading the Shotgun:** Ensure that the shotgun is completely unloaded. Remove any ammunition from the chamber and magazine.
2. **Removing the Existing Buttstock:**
  - Use a suitable tool to remove the screws or bolts securing the existing buttstock.
  - Carefully detach the old buttstock and set it aside.
3. **Attaching the SGA Buttstock:**
  - Align the SGA buttstock with the shotgun's receiver.
  - Securely fasten the screws or bolts provided with the buttstock, ensuring they are tightened to avoid movement during use.
4. **Adjusting Length of Pull:**
  - Use the spacer system to adjust the length of pull in 1/2" increments.
  - Make sure the adjustment is secure before use.

### Usage

- **Grip and Handling:** Always maintain a firm grip on the shotgun when shooting.
- **Recoil Management:** Use the recoilreducing buttpad to help manage recoil effectively.
- **Sling Attachment:** If using a sling, ensure it is attached to the integral sling loops securely.

## **Disposal Instructions**

- Dispose of the buttstock in accordance with local regulations.
- Do not dispose of the buttstock in regular household waste.
- Consider recycling options if available in your area.

## **Contact Information for Further Support**

For any safety inquiries or support regarding the SGA® Ambidextrous Buttstock, please reach out to your local retailer or manufacturer representative. Always ensure that you have the latest information regarding product recalls or safety notices.

## **Conclusion**

By following these safety instructions, you can ensure a safer and more enjoyable experience with your SGA® Ambidextrous Buttstock for Mossberg® 500/590. Always prioritize safety and stay informed about best practices in firearm handling and maintenance. Thank you for your attention to these important guidelines.
