## Loads Pistol Magazines Fast, Protects Fingers & Thumbs

Hand-held loader fills pistol magazines quickly and easily, so you spend less range time loading mags and more of it shooting. Smooth, positive operation protects fingers and thumbs while you load hundreds of rounds painlessly—as fast as one round per second. Also lengthens magazine life by reducing wear and tear on feed lips. Hold the magazine upright with the bottom resting on a solid surface. Place the loader over the top of the mag, press down lightly while squeezing the lever to depress the follower, drop in a round, and work the lever quickly to push it into the mag. Repeat the process until the magazine is full. Constructed from tough, reinforced, black polymer. Locks closed when not in use, so it takes up minimal space in pocket or range bag. UpLula fits single- and double-stack 9mm, .357 SIG, .40 S&W, 10mm, and .45 ACP magazines, plus some .380 mags. Will not load Glock 6-round single-stack .45 caliber, Smith & Wesson 7-round single-stack 9mm, or magazines with less than 8mm between feed lips. Will also need to purchase the UpLula Align Insert.

## Attributes

- Name: [MAGLULA LTD. UPLULA PISTOL MAGAZINE LOADER, PINK](#)

# Safety Instruction Guide for SEMIAUTO PISTOL UPLULA MAGAZINE LOADER

## Introduction

Thank you for choosing the SEMIAUTO PISTOL UPLULA MAGAZINE LOADER by MAGLULA LTD. This product is designed to facilitate the loading of pistol magazines quickly and efficiently. Please read this safety instruction guide carefully to ensure safe and effective use of the loader.

## General Safety Guidelines

- Ensure that you are familiar with the operation of your firearm and its magazines before using the loader.
- Always handle firearms and ammunition with care, following all safety protocols.
- Keep the loader out of reach of children and unauthorized users.
- Inspect the loader before each use to ensure it is in good condition.
- Do not use the loader if it is damaged or malfunctioning.
- Follow all local laws and regulations regarding the use of firearms and ammunition.

## Specific Safety Precautions for Use

- Always load magazines in a safe and controlled environment, away from others.
- Make sure the firearm is pointed in a safe direction while loading magazines.
- Avoid placing fingers or hands near the magazine feed lips during loading.
- Do not attempt to load magazines that are incompatible with the loader.
- Be aware of the potential for ammunition to be loaded inadvertently; always check the magazine before use.
- Use the loader only as intended; do not modify or alter its design.
- If you experience any issues while using the loader, stop using it immediately and consult the manual or a qualified professional.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure you have a clean, flat surface to work on.
- Gather your pistol magazine, ammunition, and the loader.

### 2. Using the Loader:

- Hold the magazine upright with the bottom resting on a solid surface.
- Place the loader over the top of the magazine.
- Press down lightly on the loader while squeezing the lever to depress the follower.
- Drop a round into the magazine.
- Quickly work the lever to push the round into the magazine.
- Repeat the process until the magazine is full.

### 3. Storage:

- When not in use, lock the loader closed to prevent accidental opening.
- Store the loader in a cool, dry place away from direct sunlight.

## **Disposal Instructions**

- Dispose of the loader in accordance with local regulations.
- If the loader is damaged beyond repair, contact your local waste management authority for proper disposal methods.

## **Contact Information for Further Support**

For any inquiries regarding safety or operational issues, please refer to the product packaging or visit the manufacturer's website for further assistance.

By following these guidelines and instructions, you can ensure a safe and efficient experience with your SEMIAUTO PISTOL UPLULA MAGAZINE LOADER. Thank you for prioritizing safety and responsible firearm use.
