

ROTAPOD - MIM MANUFACTURING PICATINNY HARRIS BIPOD ADAPTER

[Shooting Accessories](#) > [Bipods, Monopods & Accessories](#) > [Bipods](#)

The RotaPod is designed to allow right and left swivel motion with your existing Harris bipod. RotaPods allow attachment to a Picatinny rail. Picatinny version allows quick attach and detach with the push of a button. Lock Level is used to lock the bipod in position or adjust to a desired tension.

ROTAPOD MIM MANUFACTURING PICATINNY HARRIS BIPOD ADAPTER Safety Instruction Guide

Introduction

Thank you for choosing the RotaPod Bipod Adapter. This guide provides essential safety instructions and information to ensure the safe and effective use of your product. Please read this manual carefully before installation and use.

General Safety Guidelines

- Ensure the product is used only for its intended purpose as specified in this manual.
- Regularly inspect the bipod adapter for any signs of wear or damage before each use.
- Keep the product out of reach of children and vulnerable individuals to prevent accidents.
- Use the product only on stable, flat surfaces to avoid tipping or falling.
- If you notice any malfunction or damage, discontinue use immediately and seek assistance.

Specific Safety Precautions for Use

- Always ensure the bipod adapter is securely attached to the Picatinny rail before use.
- Do not exceed the weight limit specified for your bipod and adapter combination.
- Avoid using the bipod in extreme weather conditions that may affect its performance.
- When adjusting the Lock Level, ensure your hands are clear to prevent pinching or injury.
- Do not force the adapter to swivel beyond its designed range to avoid damaging the mechanism.

Instructions for Installation and Usage

1. Installation

- Ensure the Picatinny rail is clean and free from debris.
- Align the RotaPod adapter with the rail and slide it into position.
- Press the button to secure the adapter in place. Ensure it clicks firmly.
- Test the attachment by gently pulling on the adapter to confirm it is locked in.

2. Usage

- To adjust the swivel motion, gently rotate the bipod left or right.
- Use the Lock Level to secure the bipod in your desired position. Turn the knob clockwise to tighten and counterclockwise to loosen.
- To detach the adapter, press the button and slide it off the rail carefully.

Disposal Instructions

- Dispose of the product in accordance with local regulations regarding electronic waste and plastic materials.
- Do not dispose of the product in regular household waste.
- Consider recycling the product if possible to minimize environmental impact.

Contact Information for Further Support

For any questions or concerns regarding the RotaPod Bipod Adapter, please refer to the manufacturer's contact information provided with your product packaging.

Conclusion

By following these safety instructions, you can ensure a safe and effective experience with your RotaPod Bipod Adapter. Thank you for prioritizing safety and compliance with the EU General Product Safety Regulation.
