Safety Instruction Guide for SOFT JAW PLIERS

Introduction

Thank you for choosing the SOFT JAW PLIERS by Best Way Tools. These pliers are designed to help prevent marring during gunsmith work, making them ideal for inspections, cleaning, polishing, or parts installation. To ensure your safety and the proper use of this product, please read and follow the guidelines outlined in this document.

General Safety Guidelines

- Always inspect the pliers before use for any signs of damage or wear.
- Use the pliers only for their intended purpose as described.
- Keep the pliers out of reach of children and vulnerable individuals.
- Ensure that the work area is clean and free of hazards before using the pliers.
- Wear appropriate personal protective equipment (PPE) such as safety goggles and gloves.
- Do not use excessive force when using the pliers, as this can lead to damage or injury.
- If the pliers become damaged or the soft jaws are worn, replace them immediately to maintain safety.

Specific Safety Precautions for Use

- Ensure the pliers are securely gripped and positioned before applying force.
- Avoid using the pliers on live electrical components or in wet conditions.
- Do not modify the pliers or use them for purposes other than those specified.
- Be cautious of pinch points when operating the pliers.
- Always store the pliers in a safe location when not in use to prevent accidents.

Instructions for Installation and Usage

1. Installation of Soft Jaws:

- To replace the soft jaws, locate the small Phillips head screw on the pliers.
- Use a Phillips screwdriver to remove the screw.
- Carefully remove the old soft jaws and replace them with new ones.
- Secure the new jaws in place by tightening the screw until snug, but do not overtighten.

2. Using the Pliers:

- Hold the pliers by the handles, ensuring a firm grip.
- Position the soft jaws around the item you intend to grip.
- Squeeze the handles gently to close the jaws around the item.
- Apply only the necessary force to hold the item securely without damaging it.

3. After Use:

- Clean the pliers after use to remove any debris or residue.
- Store the pliers in a dry place, away from direct sunlight and moisture.

Disposal Instructions

- Dispose of the pliers in accordance with local regulations.
- If the pliers are damaged beyond repair, consider recycling the materials where possible.
- Do not dispose of the pliers in regular household waste if they are still functional; consider donating them if they are in good condition.

Contact Information for Further Support

For any safety inquiries or further support regarding the SOFT JAW PLIERS, please refer to the manufacturer's contact details provided with your product packaging or visit the manufacturer's website.

Thank you for following these safety instructions. Your safety is our priority.
