

AR-15/M16 MK 8 SUPER MODULAR RAILS, M-LOK - GEISSELE AUTOMATICS 9.3" SUPER MODUALR RAIL MK8 M-LOK BLACK

[Rifle Parts](#) > [Build Kits](#) > [Handguards & Rails](#)

Lightweight, Free-Floating Modular Handguard

Ergonomic, lightweight modular rail system offers plenty of M-LOK attachment points along the entire length. Single piece assembly is machined from a semi-billet extrusion of aircraft grade aluminum for enhanced strength and performance to weight ratio. Free floating handguard attaches via long barrel nut machined from aircraft grade aluminum with a hardcoat anodized surface. Handguard fits tightly on the barrel nut and clamps securely by two cross bolt. M-LOK technology allows shooter to place accessory rails anywhere along the length of the rail in 45° intervals. Handguard has two standard, non-rotating QD slots on either side. Please note that a gas block is no longer included with these handguards.

Safety Instruction Guide for AR15/M16 MK 8 SUPER MODULAR RAILS, MLOK

Introduction

Thank you for choosing the AR15/M16 MK 8 Super Modular Rails, MLOK by Geissele Automatics. This product is designed for enhanced performance and versatility in firearm applications. Please read this safety instruction guide carefully to ensure safe usage and compliance with EU safety regulations.

General Safety Guidelines

- Always handle firearms with care and follow all local laws and regulations regarding firearm usage.
- Ensure that the product is installed correctly to avoid any potential hazards.
- Regularly inspect the rail system for any signs of wear or damage before use.
- Use only compatible accessories with the MLOK attachment system to prevent accidents.
- Keep the product out of reach of children and unauthorized users.
- Be aware of your surroundings while using the product to avoid accidents.

Specific Safety Precautions for Use

- Ensure that the firearm is unloaded before installing or adjusting the rail system.
- Do not exceed the weight limit of the handguard when attaching accessories.
- Avoid placing hands or fingers in front of the muzzle when handling the firearm.
- Use protective eyewear when operating firearms equipped with this rail system.
- If you notice any unusual sounds or movements during use, stop immediately and inspect the product.

Instructions for Installation and Usage

Installation

1. **Preparation:** Ensure the firearm is completely unloaded and safe to handle.
2. **Remove Existing Handguard:** If applicable, remove the existing handguard by unscrewing the barrel nut.
3. **Install Barrel Nut:** Attach the new barrel nut (included) to the firearm, ensuring it is tightened securely.
4. **Attach Handguard:** Slide the handguard over the barrel nut and align it properly. Ensure it fits tightly.
5. **Secure Handguard:** Use the two cross bolts to clamp the handguard securely in place. Ensure they are tightened to prevent movement.
6. **Check Installation:** Inspect the installation to confirm that the handguard is stable and secure.

Usage

- Attach accessories to the MLOK attachment points at 45° intervals as needed.
- Use the standard QD slots for attaching slings or other equipment securely.
- Regularly check the tightness of all bolts and accessories during use.

Disposal Instructions

- Dispose of the product in accordance with local regulations regarding electronic and metal waste.
- Do not incinerate the product, as it may release harmful substances.
- Consider recycling materials where possible to minimize environmental impact.

Contact Information for Further Support

For any safety inquiries or support, please refer to your local authorized dealer or the manufacturer's website. Ensure that you have the product details ready for more efficient assistance.

By following these guidelines, you can ensure safe use of the AR15/M16 MK 8 Super Modular Rails, MLOK. Always prioritize safety and compliance with local laws and regulations. Thank you for your attention to these important safety instructions.
